the importance of comprehending god s will for one s life is emphasized throughout the book because it is necessary to forge a contented and fruitful connection with god when one is unclear about god s plan in any area of their life uncertainty and uneasiness arise too many christians go about their daily lives never realizing what god s perfect will is for them at that specific time christians are deprived of the chance to experience god s highest intentions by not knowing god s perfect will additionally it keeps people from leading a prosperous fruitful joyful peaceful and spiritually filled life in the present the lack of discernment of god s perfect will for your life will cause you to live far below your rights and privileges in christ however the recognition of god s purpose for your life will provide a greater sense of identity belonging vocation and guidance which links you to a higher purpose the kingdom of god the reality is that this crucial aspect of christianity today receives relatively little attention but it is at the core of effective and genuine christian living without a clear grasp of god s intention for one s life one could feel like or even become a square peg in a round hole especially in identifying the appropriate ministries and where to serve effectively in the body of christ

bringing together more than a decade of dedicated investigation and clinical work this unique textbook is a unified comprehensive source for oncofertility research and medical practice that is both authoritative and up to date it will serve as the primary oncofertility reference for the various medical disciplines that must be coordinated to provide care for young cancer patients moreover it contains case studies that are prismatic for new entrants into the field the book is organized around the major themes of the discipline and includes current research clinical practice emerging technologies and didactic questions and is divided into six thematic sections fertility implications in both oncologic and non oncologic settings options for fertility preservation both male and female care of the oncofertility patient including contraception and pregnancy considerations oncofertility in clinical practice from setting up a new program to genetic counseling and communication ethical and legal considerations advances in the basic science of oncofertility in each chapter bulleted key learning points and review study questions bookend the text six additional sections comprised exclusively of clinical case studies illustrating the management of both oncologic and non oncologic conditions add to the pedagogical value of the text timely and utilizing the best current evidence textbook of oncofertility research and practice a multidisciplinary approach will be an invaluable resource for students residents fellows and professionals in reproductive endocrinology pediatric endocrinology adult and pediatric oncology adult and pediatric urology breast surgery radiation oncology and allied professions where iatrogenic treatments or genetic conditions result in infertility

the book is about the importance of knowing god s will for one s life which is paramount in having a harmonious and fulfilling relationship with god when there s uncertainty concerning the will of god in any aspect of one s existence it results to confusion and anxiety too many christians go through life and never realize god s perfect will during their sojourn in time in doing so believers are robbed of the privilege of experiencing god s best for their lives it also deprives them of having an overcoming fruitful spirit filled joyful and peaceful life not discerning god s perfect will for your life will cause you to live far below your rights and privileges in christ the recognition of god s purpose for your life will provide a sense of identity belongingness vocation and guidance which serves to connect you to a higher purpose the kingdom of god the truth is that not much attention is paid to this very critical area of christianity today however it is the very heart of efficient and authentic christian living without a clear understanding of god s will in one s life one may feel like or even become a square peg in a round hole especially as it pertains to identifying the appropriate ministries and where to serve effectively in the body of christ

this report the fifth in the series of who reports on the global tobacco epidemic presents a country level examination of the epidemic and identifies countries that have applied effective tobacco control measures the number of people worldwide protected by effective tobacco control measures continues to grow and countries that have adopted these measures at the highest level of achievement can be considered models for action for those countries that have yet to do so the focus of this report is raising taxes on tobacco the r component of mpower time and again increasing taxes on tobacco products to increase retail prices has been proven to be the most effective and efficient of the best buy demand reduction measures to reduce tobacco use and yet it is also the least widely implemented measure

this is the first book to focus on international efforts to address syrian chemical weapons issues in an international law context it provides an overview of the process of control over syrian compliance non compliance with international obligations including the keys to success in eliminating syria s stockpiles and reasons for difficulties in handling multiple uses of toxic chemicals as weapons in domestic armed conflicts it also addresses collective and unilateral sanctions against syria outside of international institutional frameworks and their implications for subsequent cases

supported by extensive analyses of developments within the opcw executive council and the un security council this book is recommended for readers seeking insight about chemical weapons issues and dynamism of international law

this is a novel text that highlights the controversial areas in the management of gynecological cancers none of the topics in this book have definitive answers they represent the everyday decision making facing gynecologists oncologists radiologists pathologists and other health professionals treating women with these conditions this book is not to be used as a traditional textbook it is a text that specialists and trainees will use to help them weigh up the arguments that exist in a variety of areas in the treatment of gynecological cancers each chapter will have two or more authors selected either for their opposing views or for their ability to provide an opposite view or opinion to the other the content will be evidence based illustrating contrasting evidence and scientific opinion in the literature each chapter will close on a summary indicating the direction of research needed to address the issues being discussed

africa in global power play debates challenges and potential reforms is a compilation of insightful and analytical articles that were published in different issues of the journal african renaissance between 2004 and 2006 most of the articles are from established academics researchers development practitioners and policymakers as well as stakeholders in africa though the perspectives are as varied as the contributions the underlining themes are the current scramble for africa and the various development trajectories vis à vis those of other regions of the world contributors also address the continuous interactions and inevitable contradictions between africa and the rest of the world the various contributions seek answers to a number of fundamental questions around africa s position in the global political economy focusing on such areas as international economic relations political and economic reforms democratic transitions and consolidations human rights and security though contributions show that africa faces enormous challenges in the global political economy they also point to the current dynamism and optimism in many parts of the continent bhekinkosi moyo is currently based in dakar senegal where he conducts and manages research for trustafrica a grant making foundation focusing on regional integration peace and security as well as citizenship and identity his research interests include africa s political economy international political economy global governance social movements and democratisation in africa his recent publications include china in africa threat or an asset 2006 the zimbabwean community in south africa with elinor sisulu and nkosinathi tshuma and africa and the world 2004 2005 this book is a compelling study of the many imponderable dilemmas challenges and imperatives that shape the contours of africa s place in a mercurial and uncertain global order it brings together a range of authors who reflect on the many themes that animate the african condition in the context of the multiple centrifugal tendencies intense structural asymmetries and disempowering pathologies that characterise globalisation africa in global power play is an invitation to critically engage in this existential debate and is a sterling contribution to the subject dr garth le pere director institute for global dialogue south africa

is the paperless society really possible what is the future of paper in the digital age based on extensive statistics and six separate surveys paper to digital explores the evolution and changing characteristics of documents in the information age resultant implications are studied through the examination of emerging issues in the digital environment this timely book represents a useful and scholarly exploration of a major concern in our society

both europe and the us have now dampened the shrillness of the invective hurled against each other over the last years but the underlying differences have not been resolved the two sides drift

apart in their views on what internal politics should achieve as well as in their vision of the global order they would like to see established the economies of both europe and the us are highly developed and densely interwoven their societies are post industrial many social and economic trends converge similar too are the challenges to maintain security against threats emanating from other parts of the world divergences thus do not originate from conflicting material interests they arise from different perceptions of the nature and of threats from the outside world from how the two societies wish to define themselves through their internal and external policies the search for a distinct european or american identity fuels this discord therefore appeals to common merely material interests will not obliterate it the contributions to this book come from altogether twelve authors each of them addressing the issues from the perspective of his or her own discipline the book aims to reach not just academia but also beyond to those that are involved in actual international decision making
