for migrant communities residing outside of their home countries various transnational media have played a key role in maintaining, reviving and transforming ethnic and religious identities a vital element is how media outlets report and represent ethno-national conflict in the home country janroj yilmaz keles here examines how this plays

out among kurdish and turkish communities in europe he offers an analysis of how turkish and kurdish migrants in europe react to the myriad mediated narratives a vital element is how media outlets report and represent the ethno national conflict between the turkish state and the kurdish pkk janroj yilmaz keles here offers an examination of how turkish and kurdish migrants in europe react to the myriad narratives that arise taking as his starting point an analysis of the nature of nationalisms in the modern age keles shows how language is often a central element in the struggle for hegemony within a state the media has become a site for the clash of representations in both turkish and kurdish languages especially for those based in the diaspora in europe these virtual communities connected by television and the internet in turn influence and are influenced by the way the conflict between the turkish state and subaltern kurds is played out both in the media and on the ground by looking at first second and third generations of turkish and kurdish populations in europe keles highlights the dynamics of migration settlement and integration that often depend on the policies of each settlement country since these settlement states often see the proliferation of such media as an impediment to integration media diaspora and conflict offers timely analysis concerning the nature of diasporas and the construction of identity

this book examines some of the most pressing issues facing the turkish political establishment focusing in particular on the issues of nationalism the kurds and political islam

in recent years the persecution of the kurds in the middle east under isis in iraq and syria has drawn increasing attention from the international media in this book veli yadirgi analyses the socioeconomic and political structures and transformations of the kurdish people from the ottoman era through to the modern turkish republic arguing that there is a symbiotic relationship between the kurdish question and the development of the predominantly kurdish domains making an ideal read for historians of the region and those studying the socio political and economic evolution of the kurds first outlining theoretical perspectives on kurdish identity socioeconomic development and the kurdish question yadirgi then explores the social economic and political origins of ottoman kurdistan following its annexation by the ottomans in 1514 finally he deals with the collapse of the ottoman empire and the subsequent foundation and evolution of the kurdish question in the new turkish republic

this ethnographic work examines both the colonial language governmentality imposed by the turkish state and the kurdish language activism as a response to this system through a genealogical study it calls for a reconsideration of the linguistic condition in

turkey as being more than nationalist highlighting its foundation in intertwined ideologies of racism imperialism and colonialism it then provides an analysis of new possibilities and directions led by the actors of the kurdish language movement which seeks to enhance not only the linguistic but also the socio political condition of the kurdish people by taking a beyond language approach the work advances our thinking about language oppression and minority language activism

the eu turkey and their common neighborhood are changing rapidly and deeply exposing the european turkish relationship to new challenges and opportunities in diverse policy areas such as energy migration citizenship and civil society this collective volume explores how the eu and turkey can enhance their cooperation in these policy domains and so aims to contribute to a comprehensive discussion on shaping a common turkish european future in the world

since the gezi uprisings in june 2013 and akp s temporary loss of parliamentary supremacy after the june 2015 general elections sharp political clashes ascending police operations extra judicial executions suppression of the media and political opposition systematic violation of the constitution and fundamental human rights and the one man rule of president erdoan have become the identifying characteristics of turkish politics the failed coup attempt on 15th july 2016 further impaired the situation as the government declared emergency rule at the end of which a political regime defined as the presidential government system was established in july 2018 turkey s new state in the making examines the historical specificities of the ongoing akp led radical state transformation in turkey within a global legal financial ideological and coercive neoliberal context arguing that rather than being an exception the new turkish state has the potential to be a model for political transformations elsewhere problematizing how specific policies the akp adapted to refract social dispositions have been radically redefining the republican democratic and secular features of the modern turkish state

global turkey in europe s third volume sheds light on four key areas in eu turkey relations foreign relations democracy the kurdish question and economic and trade issues building on its two preceding collective volumes global turkey in europe iii intends to contribute to a comprehensive discussion on shaping a common turkish european future with an eye to key domestic regional and global challenges and opportunities facing both the eu and turkey

although globalisation brings work to some places all over the world the growing international mobility of workers and refugees will be one of the strongest social and political challenges at the end of this century at the same time and in part originated

by globalisation and transnational migration there is emerging a qualitative new social reality of transnational social spaces built by pluri locally spanned social institutions life trajectories and the biographical projects in specific institutional settings and material infrastructures this volume presents conceptual frameworks and empirical studies of transnational migration processes and the emergence of pluri social transnational social spaces

this book argues that as a popular text the turkish television series valley of the wolves ambush functions as a site for consent production for foreign policies formed by the akp within the last decade through a process of reproduction of state identities ideologies and discourses at the level of narrative this book positions its argument in two fields turkish foreign policy tfp studies and popular culture and world politics within the larger international relations context it is interdisciplinary in nature as it also makes use of theories around popular culture it advances works within these fields by focusing on a particular national context and offer an original analysis on turkey while doing so it employs discourse analysis it also teases out some of the complexities of the nature and implications of representation of the tfp by using critical reception together with an analysis of the critical reception of the television series political discourses around foreign policy is examined in line with the ways in which these policies are depicted and reproduced by the series this leads to an intertextual reading of turkish state identity and security imaginary and a critical examination of the tfp in the last decade from a constructivist perspective

updated for the fifth edition this reference covers every country of the world with functioning political parties organised in a z country order the book provides reliable and objective data on more than 2 550 political parties

focusing on the annexation of hatay from syria in 1939 turkey s involvement in cyprus culminating in a military operation in 1974 and its policy toward the karabagh dispute between azerbaijan and armenia in the 1990s this title is suitable for those interested in middle east politics and international relations as well as turkey specifically

this is the first book to trace the history of all ethnic minorities in germany during the nineteenth and twentieth centuries ethnic minorities in nineteenth and twentieth century germany argues that all of the different types of states in germany since 1800 have displayed some level of hostility towards ethnic minorities while this reached its peak under the nazis the book suggests a continuity of intolerance towards ethnic minorities from 1800 that continued into the federal republic during this long period german states were home to three different types of ethnic minorities in the form of dispersed jews and gypsies localized minorities such as serbs poles and danes and

immigrants from the 1880s taking a chronological approach that runs into the new millennium panikos panayi traces the history of all of these ethnic groups illustrating their relationship with the german government and with the rest of the german populace he demonstrates that germany provides a perfect testing ground for examining how different forms of rule deal with minorities including monarchy liberal democracy fascism and communism

nations and nationalism helps students researchers and other interested readers explore national identities and nationalistic movements in historical context organized chronologically its four volumes combine thematic essays on different characteristics of nationalism with case studies of key historical developments involving specific nations at specific times the encyclopedia focuses on europe latin america africa and asia with featured coverage of nationalist cultural creations including literature music symbols and mythologies
