the third edition of us politics today provides a concise up to date and accessible introduction to us government and politics it offers a survey of core institutions such as the presidency

Congress and the US Supreme Court assesses the electoral system and considers the part played by organised interests and political parties. The book includes coverage of the 2008 presidential election and the Obama administration's record in office. The book also introduces some of the most important debates and arguments within American political science. These include theories of voting behaviour, different approaches to presidential power, competing perspectives on the changing nature of the political parties and contrasting representations of the lobbying process. The book is of particular relevance to undergraduate and a level students but is also valuable for the general reader.

This text sees the new diversity of approaches as healthy and invigorating. The diversity in comparative politics over the past two decades has been reflected in prior editions of this book.

A survey of international relations, this benchmark text explains concepts of global order from the Westphalian system to current issues in international relations. In this latest edition, Lynn Miller covers new developments in ethnic violence, economic development, human rights, intervention and environmental issues. He also discusses the developments and choices in the post-cold war era, posing alternative new world order scenarios that emphasize improving the world's ability to engage in peacekeeping in light of the Gulf War and other recent conflicts. The text advocates critical world order values and proposes means for minimizing violence, maximizing economic well-being, enhancing human rights and protecting the environment.

Unlike some other reproductions of classic texts¹ we have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos² in books where there are images such as portraits, maps, sketches etc. We have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

This book surveys all the main theories and approaches in comparative politics. It provides background on the history of the field and it includes contributions by the leading figures in the field.
