for centuries critics poets poet scholars and philosophers have either openly proclaimed or tacitly assumed the long poem as the highest expression of literary ambition and excellence rethinking the north american long poem focuses on the north american variant of this notorious form notorious because of its often forbidding and difficult character particularly with respect to the dialectics of content and form aesthetics and politics matter and genre in nine essays and a contextual introduction the editors and contributors scrutinize seminal long poems by north american writers including walt whitman s song of myself ezra pound s the cantos muriel rukeyser s the book of the dead and charles olson s the maximus poems they also explore recent efforts that have redefined or reopened the case of the long poem including rachel blau duplessis s drafts m nourbese philip s zong and claudia rankine s citizen taking the categories of form matter and experiment as frames of conceptual reference the book examines the ways in which material and immaterial aspects of literary practice and the philosophically and politically inscribed duality of experience and experiment are negotiated in and by north american long poems from the nineteenth century to the present

i write fiction do you ever wish you could go back in time in your delorean if you wish with the ability to not repeat the bad but live the good again it s what i write to me a book that makes you think and think too hard decreases the fun of thinking to me when you read my books i just want you to let your mind go causing a slant of a smile or an eruption of giggles and you don t need to think about that that s more of a spontaneous type of thing if you want to think about reading a book that will make you think i ll loan you my old nursing school books

american hybrid poetics explores the ways in which hybrid poetics a playful mixing of disparate formal and aesthetic strategies have been the driving force in the work of a historically and culturally diverse group of women poets who are part of a robust tradition in contesting the dominant cultural order amy moorman robbins examines the ways in which five poets gertrude stein laura mullen alice notley harryette mullen and claudia rankine use hybridity as an implicitly political strategy to interrupt mainstream american language literary genres and visual culture and expose the ways in which mass culture in the twentieth and twenty first centuries has had a powerfully standardizing impact on the collective american imagination by forcing encounters between incompatible traditions consumer culture with the avant garde low culture forms with experimental poetics prose poetry with linguistic subversiveness these poets bring together radically competing ideologies and highlight their implications for lived experience robbins argues that it is precisely because these

poets have mixed forms that their work has gone largely unnoticed by leading members and critics in experimental poetry circles

the surprising story of the relationship between experimental poetry and literary studies in the academic avant garde kimberly quigley andrews makes a provocative case for the radical poetic possibilities of the work of literary scholarship and lays out a foundational theory of literary production in the context of the university in her examination of the cross pollination between the analytic humanities and the craft of poetry writing andrews tells a bold story about some of today's most innovative literary works this pathbreaking intervention into contemporary american literature and higher education demonstrates that experimental poetry not only reflects nuanced concern about creative writing as a discipline but also uses the critical techniques of scholarship as a cornerstone of poetic practice structured around the concepts of academic labor such as teaching and methodological work such as theorizing the book traces these practices in the works of authors ranging from claudia rankine to john ashbery providing fresh readings of some of our era's most celebrated and difficult poets

this is book 2 of my ceo wife let me be the song that you love to hear meeting her in his concert in a wasted form he nearly doesn't recognize her but when he does he can't get her out of his mind he couldn't stop falling for her every moment she is tough and brilliant in everything but rarely known by the public she hates cameras she hates to be the center of the world she is someone who can amaze the world with her personality they are opposite poles but opposite poles attract each other will she ever fall for him

main street tells the tale of a big city girl who marries a physician and settles in a small town in the midwest only to fall victim to the narrow mindedness and unimaginative natures of the town's residents introduction by thomas mallon copyright libri gmbh all rights reserved

set in britain under roman rule this novel is about nicanor who has inherited from his grandfather melchior a gift of telling tales so great that he casts a veritable spell over his listeners nicanor charms veria a roman lord's daughter who forgets that nicanor is a slave and falls in love with him
