a sociology textbook with real life examples

for thirty five years and through thirteen editions jim henslin s down to earth sociology has opened new windows onto the social realities that shape our world now in its fourteenth edition the most popular anthology in sociology includes new articles on our changing world while also retaining its classic must read essays focusing on social interaction in everyday life the forty six selections bring students face to face with the twin projects of contemporary sociology understanding the individual s experience of society and analyzing social structure the fourteenth edition s exceptional new readings include selections on the role of sympathy in everyday life mistaken perceptions of the american family the effects of a criminal record on getting a job and the major social trends affecting our future together with these essential new articles the selections by peter berger herbert gans erving goffman donna eder zella luria c wright mills deborah tannen barrie thorne sidney katz philip zimbardo and many others provide firsthand reporting that gives students a sense of being there henslin also explains basic methods of social research providing insight into how sociologists explore the social world the selections in down to earth sociology highlight the most significant themes of contemporary sociology ranging from the sociology of gender power politics and religion to the contemporary crises of racial tension crime rape poverty and homelessness

this theoretically balanced text provides the latest research findings and a consistent structure to help students analyze major social problems facing the united states henslin presents boths sides of an argument with a neutral voice and has a down to earth writing style when students complete this text not only do they gain a sociological understanding of social problems but also they are able to explore and evaluate their own opinions about specific social problems they will gain a greater awareness of the social forces that shape their orientations to social problems and their perspectives on social life the ideas in this book then can penetrate students thinking and give shape to their views of the world
