Over the years, many people have mentioned to me that I should write a book. Presently, the time has come to tell my stories of what my God-given talents have helped me accomplish throughout my life. This book shares some of my legacy with the world. Within this autobiography, I recount many of my personal stories and of some unusual experiences, namely my journey into three worlds: physical, psychic, and spiritual. Music has played a vital role throughout my life; I've sung with 18-piece bands, including Lionel Hampton and his band, jazz trios and quartets, solo with my guitar, performing in two separate duos. Plus, I have written three musical stage plays and 75 songs. During this time, I was also working at the University of Vermont and raising my daughter by myself following a divorce. I have been a psychic all of my adult life, having read thousands of people from all walks of life. As I was able to lift the veil of their future, I was also blessed with a healing gift which helped hundreds of people alleviate assorted health problems. Some are chronicled within this book, adding to my spiritual responsibilities. Sometimes I had the most awesome visions for the world and what God's judgment may bring to humankind. See within; I hope you will enjoy reading this book as much as I have enjoyed writing it. Simone Boisvert, author.
