missio dei by its very nature requires the church to come to terms with the exercise of power both internally and externally as it confronts the world tune in to any newscast or glance at the daily newspaper and it immediately becomes clear that the use and abuse of power is

a live issue the more we focus on the twists and turns of current events the more it appears that uncorrupted exercise of power eludes the human race all too often we become uneasily aware that there are powers lying behind the power that any of us wields whether it is in the family the classroom on the shop floor in the boardroom or in churches effective missional leadership involves creative engagement with the powers at work in the world without being debased by them this book sets out to address the issue of the use and misuse of power from biblical theological and practical perspectives the authors bring their theological pastoral missionary and personal experience to their task in order to inform challenge and invite readers into a responsible use of the powers that god has put into the hands of each one of us to achieve his purposes in the world

this study explores the relationship between social groups and their conflicts

many historians have attempted to understand the violent religious conflicts of the seventeenth century from viewpoints dominated by concepts of class gender and demography but few studies have explored the cultural process whereby religious symbolism created social cohesion and political allegiance this book examines religious conflict in the parish communities of early modern england using an interdisciplinary approach that includes all these perspectives daniel beaver studies the urban parish of tewkesbury and six rural parishes in its hinterland over a period of one hundred years drawing on local ecclesiastical court records sermons parish records corporate minutes and charity books and probate documents he discusses the centrality of religious symbols and ceremonies in the ordering of local societies particularly in local conceptions of place personal identity and the life cycle four phases in the transformation of parish communities emerge and are examined in this book this exploration of the interrelationship of religion politics and society and the transformation of local communities in civil war has a value beyond the particular history of early modern england contributing to a broader understanding of religious revivals fundamentalisms and the persistent link between religion nationalism and ethnic identity in the modern world table of contents introduction church history as a cultural system part i social form 1590 1690 reverend histories geography and landscape parts persons and participants in the commonwealth social relations institutions and authority under the hand of god
