this book on the road to manhood is an effective tool that will not only answer essential questions many men have but will provide a clear map for entering that path and successfully traveling it to achieve that goal this book will assist the careful reader to begin finding the way towards understanding himself there are few lessons in my life that have had more resonance within the deeper places of my soul than the profound priceless message locked in the words of that weeping prophet jeramiah who made that often quoted

and pride less confession revealing a degree of vulnerability rarely matched in this age oh lord i know that the way of man is not in himself it is not in man that walks to direct his own steps jerimiah 10 23 it saddens me that i spent so many years living recklessly outside of a properly developed faith when i consider how far away from the lord i was i am blessed that god did not allow death to usher me into the grave while i wandered aimlessly in sin it was not until after i had slid down that slippery slope from prominence as it were to despicableness i discovered how very little i knew about truth reality good or god one day it occurred to me as i pondered jeramiah s struggle that i myself was ill prepared for the life of godly peace and power because i was living under the illusion that i knew that vital something about manhood with which i was only vaguely familiar have you ever been in that place in your own mind that frame of mind where you think you know more than you really do but you don t know that you don t know where because of your proximity to a truth you think you know the truth i am referring to that awful place of deception where the enemy of our faith has tricked you into a sense of false peace and ease a place where you even think that everything is just fine everything is alright while in reality you may be living in the far country outside of christ disconnected from the god of heaven and really only a step away from destruction you ever been there well thank god if you have not but if any of you like me have been anywhere near that dark place then you know what false peace feels like and then maybe you also know how it feels when your eyes begin to open to the reality of your predicament i most certainly do when you begin to experience the feelings associated with being lost hopeless empty you know the pain the hurt that floods a lonely soul when you realize what you have done to yourself when you see what has become of you i can tell you from my own experience that there is not a moment quite like that moment when all pride is thrown aside when the blinders fall off and just for a moment you can see a truth that had previously alluded you god had been bringing you to this moment he sure did me but pride and sin kept getting in the way keeping me from seeing it and then it hits you all at once as if a loud speaker goes off in your mind when you finally get it clear in your mind that life is meant to be more than the life i am living what a hard pill this can be to swallow especially for the individual who has become accustomed to not seeing or facing himself as well for the one who does not yet know or understand the powerful truth in the simple phrase i am nothing absolutely nothing without god

most products today come with a user guide or instruction manual developed by the manufacturer to give a product description and other information regarding use and function of the product one can choose to ignore the manual and attempt to by trial and error uncover how it functions not only is that method time consuming but you run the risk of potentially damaging the product because of a lack of qualified information reading and understanding the source document is integral to avoid what in some cases can be detrimental to the product there is no need to operate in ignorance when the requisite information is available you disregard the manual to your own peril the bible is the ultimate manual that deals with the creation of man and provides critical information regarding his purpose most things in genesis were created by the word of god he spoke and he saw however the crowning glory of his creation was made from previously existing raw materials god forming man from the dust of the ground is the clearest indication that god chose to build the first man god built the first man the original prototype fully mature full functional and capable of managing his creation all that the original man needed to be he knew the man was not made like a robot but was given the power of choice he could therefore of his own volition choose to do the right thing he was built to last and to function in all is god ordained capacities the choice to disobey god put man into a tailspin and affected his ability to function as originally designed the product was damaged and in need of restoration which was to eventually come in the person of christ many male related issues are a consequence of the fall of man the depths of depravity and alienation from good may appear to be spiralling out of control but all is not lost this book is intended to look at the original manual or user guide and to provide pertinent information that when applied will ultimately lead to restoration the authors are well

intentioned that instead of cursing the darkness we choose to light a candle to show the way build a man has moved from an initiative or concept to the genesis of what is expected to become a movement we stand on the shoulders of our predecessors who have continually sought to address this critical issue within our various cultures we choose to at this late hour to add our voices in the belief that change is not only possible it is inevitable and we can salvage some good in the earth by the grace of god we have sought to contextualise the use of the manual to bring to the fore god s original design for man it is our considered viewpoint that what is wrong with man can be fixed by what is right in scriptures the topics covered are by no means exhaustive but are presented with the view that if properly utilised can begin or continue the process towards building the man it is going to take a collaborative effort to obtain maximum impact let us not be overwhelmed by the sheer magnitude of the task but let us get to work at once we must first allow the manual to speak to us then begin to appropriate the changes in our lives and by extension reach out to so many others in need of help the book you are holding in your hands is not just a product geared towards information but rather a tool for transformation we begin with the question of identity clearly indicating that you were born a male but you must become a man you cannot become what you are ignorant of mans s identity is tied to his spirituality you cannot be divorced or alienated from god and expect to become what is foundational to your design the disconnect between man and god has opened a pandora s box type situation which can only be resolved by a return to the original purpose and intent
