a history of the philippines is a book by david barrows it presents an introduction into the study of the history of malaysia intended for pupils in the public high schools of the philippines

briefly describes the human history and culture of the philippines focusing on three filipino cultural communities the moros the indios and the infiles and examining how these groups reflect the country s history and development

reprint of the original first published in 1875

if you are visiting the philippines for business leisure study or meeting friends this book is suitable for you to understand filipino culture instantly do you want to know how to survive in the philippines start with this book what is the philippines like philippine culture is similar to its asian neighbors but it is westernized at the same time it is beautiful yet it does have an ugly side each nation s culture is unique and different it is neither right nor wrong but we view different cultures based on our own opinions and biases our knowledge of the philippines is mostly one sided and incomplete in some developed countries we see filipino workers as second class citizens western media always negatively portray the country as generally third world with news involving drugs and lack of security while tourists only briefly stay with good memories of beautiful beaches and islands we owe the philippines a fair realistic portrayal jc ting is a taiwanese national currently based in the philippines he writes this book to capture his philippine experiences he is a cultural ambassador with traits molded through the social influences of his taiwanese roots and his degree in cultural management jc captures his observations and learnings by diligently writing notes as they come he would also document these moments in the most proactive way his works are essentially a representation of his personal growth and journey that would make us laugh cry and rationalize this is a book written from an asian expat s viewpoint instead of a western perspective we will discuss topics ranging from relationships to working environment society and culture to food and fashion to healthcare if you are visiting the philippines for business leisure study or meeting friends this book is suitable for you to understand filipino culture instantly don t misunderstand though this is definitely not a travel guidebook primarily this book is for everyone a personal story that every individual can identify with as it deals with the basic essence of life love health and

survival

in the story of the philippines murat halstead provides a sweeping narrative that explores the rich tapestry of filipino history culture and society through a blend of vivid storytelling and scholarly analysis halstead delves into the archipelago s pre colonial roots the impact of spanish colonization and the struggle for independence his literary style is characterized by a detailed yet accessible prose that invites readers into the intricacies of philippine life setting the work within a broader context of 19th century american interest in global affairs and imperialism which influences his interpretations of events and people murat halstead a journalist and historian possessed a profound curiosity about the world which likely stemmed from his profession and the era s imperialist sentiments his experiences reporting on the spanish american war provided him with unique insights into the political and social climate of the philippines informing his perspectives in this work halstead s commitment to presenting a balanced view of the philippines is grounded in his respect for its culture and a desire to highlight its potential for self governance amid colonial influences this book is a vital read for those interested in understanding the complex history of the philippines it not only serves as an informative text for scholars and students but also appeals to general readers seeking to grasp the multifaceted identity of this southeast asian nation halstead s compelling narrative and historical rigor make it an essential addition to the library of anyone curious about the dynamics of colonialism and its aftermath

the story of this nation of over seven thousand islands from ancient malay settlements to spanish colonization the american occupation and beyond a history of the philippines recasts various philippine narratives with an eye for the layers of colonial and post colonial history that have created this diverse and fascinating population it begins with the pre westernized philippines in the sixteenth century and continues through the 1899 philippine american war and the nation s relationship with the united states controlling presence culminating with its independence in 1946 and two ongoing insurgencies one islamic and one communist award winning author luis h francia creates an illuminating portrait that offers valuable insights into the heart and soul of the modern filipino laying bare the multicultural multiracial society of contemporary times

world war ii began for the united states with the japanese attack on pearl harbor december 7 1941 followed by the invasion of the philippine islands the next day unlike the rapid capture of hong kong wake island and singapore the war in the philippines lasted for seven months before the unprepared american and filipino forces cut off from supplies and fighting with obsolete equipment and without air or naval support were overwhelmed drawing on diaries and personal accounts this book chronicles forgotten actions in the fall of the philippines through the recollections of american servicemen the author covers the 90 day perseverance of bataan s tiny air force the first pt boat raid of the war the last u s horse cavalry charge in history a lone u s submarine s attack on a japanese invasion fleet the deliberate bombing of bataan s main field hospital by the japanese the difficult and uneasy surrender of bataan corregidor s doomed resistance and the surrender of the southern islands of the archipelago

discusses the strategy battles and major personalities involved in the recapture of the philippine islands during world war ii

includes typescripts galley sheets and notes

hardcover reprint of the original 1905 edition beautifully bound in brown cloth covers featuring titles stamped in gold 8vo 6x9 no adjustments have been made to the original text giving readers the full antiquarian experience for quality purposes all text and images are printed as black and white this item is printed on demand book information barrows david prescott a history of the philippines indianapolis indianapolis bobbs merrill co 1905 subject philippines history

asia is one of the most rapidly developing regions in the world and knowledge of the individual countries is crucial for our understanding of the area the republic of the philippines composed of a chain of islands in southeast asia became a spanish colony during the 16th century and was then ceded to the united states following the spanish american war after

independence in the 20th century the filipino people suffered under the 20 year rule of the dictator ferdinand marcos which ended as a result of a people power movement in 1986 since then the history of the philippines has been marked by several more political coups but a growing economy and democratic elections are increasing stability in the country artemio r guillermo covers more than four centuries of filipino history in this newly expanded and updated third edition of the historical dictionary of the philippines which contains more than four hundred entries on important persons places events and institutions an updated introduction with a detailed chronology precedes the dictionary and lays out the current situation in the region while a comprehensive bibliography at the end of the dictionary leads the reader to additional sources this book is an excellent access point for students researchers and anyone wanting to know more about the philippines

since the colonization of the philippines by spain in the sixteenth century the island archipelago has been at the center of global trade flows and from its status as the main base of spain s pacific galleon trade to its conquest centuries later by late arriving imperial powers like the united states and japan it has been a focal point of economic and military rivalry too decolonized in 1946 this enormously diverse country is ruled today by a classic modern authoritarian rodrigo duterte and is embroiled in a series of as of yet minor disputes with the east asia region s rising superpower china as it has globalized its population has migrated across the world too and filipino now comprise the second largest population of asian americans in the united states in the philippines what everyone needs to know steven rood draws from more than 30 years of residence in and study of the philippines in order to provide a concise overview of the nation arranged in a question and answer format this guide shares concise nuanced analysis and helps readers find exactly what they seek to learn about filipino geography and geology history culture economy politics through the ages and prospects for the future this book is an ideal primer on an enormously diverse country that has been and will likely remain a key site in world affairs

from the day commodore dewey s battleships destroyed the spanish fleet at manila to the closing of the subic bay naval base in 1992 america and the philippines have shared a long and

tangled history it has been a century of war and colonialism earnest reforms and blatant corruption diplomatic maneuvering and political intrigue an era colored by dramatic events and striking personalities in bound to empire acclaimed historian h w brands gives us a brilliant account of the american involvement in the philippines in a sweeping narrative filled with analytical insight ranging from the spanish american war to the fall of ferdinand marcos and beyond brands deftly weaves together the histories of both nations as he assesses america s great experiment with empire he leaps from the turbulent american scene in the 1890s the labor unrest the panic of 1893 the emergence of progressivism the growing tension with spain to the shores of the newly acquired colony dewey s conquest of manila the vicious war against the philippine insurgents and the founding of american civilian rule as brands takes us through the following century describing the efforts to civilize the filipinos the shaping of philippine political practices the impact of general macarthur and world war ii and the cold war he provides fascinating insight into the forces and institutions that made american rule what it was and the republic of the philippines what it is today he uncovers the origins of the corruption and nepotism of post independence philippine politics as well as the ambivalence of american rule in which liberal principles of self determination clashed with the desire for empire and a preoccupation first with japan and later with communism the book comes right up to the present day with an incisive account of the rise and fall of ferdinand marcos the accession and subsequent troubles of corazon aquino the communist guerrilla insurgency and the debate over the american military bases damn the americans manuel quezon once said why don t they tyrannize us more indeed as brands writes american rule in the philippines was more benign than that of any other colonial power in the pacific region yet it failed to foster a genuine democracy this fascinating book explains why in a perceptive account of a century of empire and its aftermath

nigel hicks informative and entertaining text together with his distinctive and highly personal photography present a wide ranging introduction to the many faces of the philippines for resident and visitor alike the main text is accompanied by sidebars or box stories which are used to highlight details of particular interest provide anecdotal information and give a lively and reader friendly look to the book the book is divided into two parts the first part giving an overview of the landscapes people history modern economy and culture of the philippines and the second part looking in detail at the four main regions luzon and the main island mindoro and palawan the wild frontiers the visayas island and beach life and mindanao the islamic

south
