the us led air strikes on afghanistan that began on 7 october 2001 are only the latest episode in a conflict that has lasted 20 years this conflict has left afghanistan s infrastructure devastated and its people at the bottom of the un s human development indices this new report situates afghanistan in its regional and international context it explains the political social religious and ethnic factors underlying the country s recent history debunking some of the simplistic and stereotyped views of the country and its population the report also gives a detailed picture of the interaction between domestic conditions and foreign interests that led to the rise and dominance of the taliban it describes the impact of prolonged conflict on the people of afghanistan and the way in which the conflict has become ethnicized it ends with a set of recommendations to prevent the escalation or perpetuation of the conflict

human rights in peace and development are accepted throughout the global south as established normative and beyond debate only in the powerful elite sectors of the global north have these rights been resisted and refuted the policies and interests of these global forces are antithetical to advancing human rights ending global poverty and respecting the sovereign integrity of states and governments throughout the global south the link between poverty war and environmental degradation has become evident over the last 60 years further augmenting international consciousness of these issues as interconnected with the rest of the human rights corpus this book examines the history of this struggle and outlines practical means to implement these rights through a global framework of constitutional protections within this emerging framework it argues that states will be increasingly obligated to formulate policies and programs to achieve peace and development throughout the global society

arguing that inner and outer peace are synonymous the author combs the world from bosnia to the middle east to describe the peace making actions and strategies of people and organizations around the world original 40 000 first printing tour

teachers bulletin vol 4 issued as part of v 23 no 9

in the late 1930s a number of american women especially those allied with various peace and isolationist groups protested against the nation s entry into world war ii while their story is fairly well known margaret paton walsh reveals a far less familiar story of women who fervently felt that american intervention was absolutely necessary paton walsh recounts how the united states became involved in the war but does so through the eyes of american women who faced it as a necessary evil covering the period between 1935 and 1941 she examines how these women functioned as political actors even though they were excluded from positions of power through activism in women s organizations informal women s networks and even male dominated lobbying groups in the great debate over whether america should enter the war some women favored aid to the allies not because they hoped for war but because they hoped aid would forestall more direct u s involvement but also because they believed war was preferable to a nazi victory paton walsh shows that this activism involved some of the most prominent women of their day elizabeth cutter morrow whose son in law charles lindbergh was an isolationist spokesman supported the revision of the neutrality acts to allow the sale of arms to the allies and expressed her support in a national radio broadcast soon other women joined this debate esther brunauer of the aaup journalist dorothy thompson and organizations like the league of women voters and national women s trade union league broke from the pacifist tradition to advocate american aid for the allied cause focusing on the conflict in europe paton walsh shows how these women grasped the implications of the lend lease program for america s entry into the war but supported it nevertheless by late 1941 the women s division of the fight for freedom committee had been established no longer merely advocating aid to britain to keep american boys out of battle this organization supported direct american involvement in the war as a means of stopping nazi oppression while most historians have focused on women s pacifism paton walsh connects women more directly to world events and shows how those interventionists reformulated maternalist ideas to justify and explain their beliefs our war too is a story of american women trying to reconcile the irreconcilable to preserve both their principles and their peace it expands our understanding of

women as political actors and thinkers about foreign policy as it sheds new light on american public opinion over the build up to the war
