with peace finally descending on the romanian grey wolves longtime fae ambassador to the wolves perizada has been given a new mission by the great luna but peri s desire for revenge against her sister lorelle burns in her heart further complicating matters the great white wolf lucian lupei has been returned to the pack after centuries trapped in the dark forest and it appears he is destined to be with peri can she put aside her thoughts of vengeance long enough to accept lucian s love and complete her mission

the events chronicled herein occur after the destruction of reyaz the warlock which was recounted in sacrifice of love a few months of peace were enjoyed by the various supernatural races before an increase in attacks by vampires in the human realm which was recounted in den of sorrows forces the elves fae and werewolves to go to battle once again duty sacrifice service and discipline these

were the characteristics that described cyn the warrior fae though love was out of her reach she thought this life was all she needed she had never been more wrong a chance meeting with the prince of the elves turns her carefully structured world upside down thalion is loyal to his people above all else as the prince of the elves it is his duty to protect them his loyalty has never been in question but then he s never met anyone like cyn before the destiny of both their races may hinge on whether an elf and a fae can overcome their differences and face an uncertain future together

the romanian and serbian canis lupus rest in an uneasy peace one of their own sally miklos the young and powerful gypsy healer aids perizada in her quest to defeat volcan a long forgotten nightmare returned to our world these two packs watch as their brothers across the world wolves from spain ireland and america join their own forces in the battle against the evil dark fae at the same time the packs hope against hope that their presence might reveal a mate bond between a pack member and one of the five recently discovered gypsy healers while jacque and jen miss sally their longtime best friend they have bided their time dealing with their own domestic issues jacque and fane are anticipating the birth of their first child and jen and decebel face the challenges of caring for an infant both girls are eagerly awaiting sally s return and have perizada s word that she will be back in time for the birth of jacque s baby vasile and alina the alpha pair of the romanian pack are enjoying this time of peace but vasile did not become the most powerful alpha in centuries by being a fool he has lived long enough to know that there is always another battle on the horizon as long as evil exists in this world his race must step forward and stand in the gap shielding those who cannot protect themselves but the battle he is anticipating is bigger than he could have ever imagined as perizada has recently discovered creatures of the night that have for so long remained hidden from the human realm have slithered from their underground lairs and begun preying on the young and innocent the high fae has declared war and she expects vasile and his wolves to be the ones to carry out the attack the alpha is more than happy to oblige but with his first grandchild on the way and the gift of five vulnerable healers coming under the wolves protection he understands that he must be very careful not to place any of them in harm s way such is the job of the alpha protector and provider he and those he leads must stand as sentinels and warriors to safeguard those they love and the humans who know nothing of the supernatural world it will be their job to destroy the creatures that threaten to expose them all and if they fail the world as they know it both human and supernatural will never be the same

long ago during the great purge the witches that had grown too many in number and too powerful were destroyed the high fae council saw that the balance of good and evil had been tipped too far in one direction and it had to be rectified so they killed all of the witches and their creator or so they thought but they were wrong volcan the high fae who had once been a member of their council until he decided he wanted to be all powerful and created the witches had bided his time hiding in the dark forest now he s back and hell bent on rebuilding his army of witches only this time he s set his eyes on the gypsy healers to be the tool from which he creates them he already has two of the newly found healers jewel and anna with his blood running in their veins and though he thinks he s got it all planned out what volcan hadn t calculated into his formula of healers his blood witches was the healer s mates dalton and gustavo both males are more than ready to sink their teeth into the high fae who has taken their females with the darkness closing in on all four of them it is a toss up as to who will succumb to it first mean while the healers and wolves peri had stashed in the pixie realm are sitting ducks with the veil between them and the human realm locked the mates of those healers are holding onto their self control by a thread as they try to figure out a way to get them out of the pixie realm perizada is once again fighting for those who are under her protection while at the same time trying not to kill them herself considering the healers tend to do stupid heroic stuff and the wolves just do stupid stuff period it s not certain who will destroy who the only thing that was certain none of them was willing to surrender throw in a powerful eccentric djinn who has suddenly gotten bored and things are guaranteed to get messy this is the continuation of the story of the five gypsy healers the fae who protects them and the wolves whose wrath will consume any who come between them

she is and will be until her time comes the warlock queen cypher the warlock king peace has come amid the storm but the cost by which that peace was earned was great the lives of the romanian pack alphas and cypher king of the warlocks now the great luna has declared a period of mourning allowing her children a brief respite in their battle against the order of the burning claw a violation of the command means certain death but peace doesn t extend to everyone lilly pierce the surviving widow of the warlock king must now take his place as the leader of the warlock race unfortunately she s in no condition to do it her heart has been shattered lilly has found love twice in her life and both times it s been ripped away now the warlock clans are looking to their new queen for guidance or waiting for her to falter to keep her throne lilly will have to prove she

s worthy of it or risk losing more than just her title the last thing the queen needs in her grief stricken state is to start hallucinating murderer traitor outlaw these are just a few of the words that describe myanin the disgraced djinn warrior and for a time those words didn't bother her but as the djinn becomes more acquainted with the inner workings of the order of the burning claw she begins to understand how truly evil her fellow supernaturals can be is that really the person she wants to be is that the life she wants to lead not long ago myanin would have done anything to get back at her former lover thadrick including murder but an encounter with her creator has the djinn questioning everything including whether she is beyond redemption two women both suffering loss both languishing in their misery both faced with impossible choices is it possible the queen and the djinn could find salvation in one another

because i created you for such a time as this the great luna's words ring true for every member of the romanian pack not only the wolves but for all those who stand in defense of virtue purity and righteousness in a world plagued with monsters hell bent on destroying every good in their path time and time again the great luna's warriors have faced depraved adversaries and each time they've risen to the challenge with fane as their leader and members of every supernatural race willing to follow him they will once again stand in the gap for those who cannot stand themselves protecting those who are ignorant of the dangers all around them the order of the burning claw has been dealt a near fatal blow but this has only made them more dangerous like a cornered wolf injured and desperate alston the former high fae and leader of the order continues to wage war on fane and his allies cain the vampire king has other plans and they no longer include membership in the crumbling faction he has discovered some powerful new allies the very humans he once attempted to subjugate could they unwittingly be the key that allows him to put finally eliminate all competition for rule of the supernatural races in the end one species will reign supreme one king will stand victorious the rest will bow or die

so many impossibly powerful foes have opposed the wolves and their allies over the years evil witches warlocks fae elves and alphas just to name a few and all have found the pack too strong to break but the foe hellbent on taking down the pack now the vampire king cain has a plan that might finally tip the balance of power away from the wolves in the middle of the desert cain works desperately to find a way to mix the blood of wolves and vampires while most find the idea

reprehensible cain believes it is the key to his victory he imagines an army of unstoppable hybrids with the combined power of the vampires and the canis lupus such a force would be unstoppable even for the powerful of alpha of alphas fane lupei and cain just might have found the secret ingredient necessary to bring his plans to fruition

the supernatural world stands on the brink of chaos fane and his pack have disappeared scattered across dangerous and forgotten realms their connections severed by veils sealed with blood magic their mates and allies fractured and vulnerable are left to fend for themselves in hostile realms where danger hides in every shadow in their absence whispers spread of a rising darkness celise a sprite wielding the ancient and forbidden nushtonia determined to reshape the supernatural order in her own twisted image but power is never absolute a new player emerges shade a djinn warrior with secrets of his own his true motives remain veiled but one thing is clear shade will stop at nothing to find the disgraced djinn he believes is his mate as celise and shade clash their agendas threaten to shatter the fragile balance between life and death meanwhile jewel battles crippling guilt knowing her actions put her loved ones in danger while facing a life altering choice that will impact her and dalton forever scattered across realms fane jacquelyn and the grey wolves fight to survive their love and loyalty tested by unimaginable trials with the veils sealed and darkness rising they must reunite to stop a force that could destroy every realm who will rise and who will fall and in the end will the grey wolves endure or will they be lost to the darkness forever

jacque s mind wandered as she hovered somewhere between life and death her body longed to let go to sink into the peaceful abyss to the place where she didn t have to worry about rabid child snatching vampires and the carnage they d caused to so many innocent families but something kept her here tethered to this world something she couldn t quite remember hovered just on the edge of her consciousness something vital it wasn t fane he would be with her on the other side she knew that if she died he died too and he wouldn t have it any other way she could feel peri s presence in her body the fae was fighting expending every ounce of her energy to keep her and fane alive and the strain was taking its toll on the fae but why why was the fae fighting as if her own life depended upon jacque s survival jacque was starting to remember someone else someone that depended on her a brand new life precious and perfect her son costin s best friend lay as if sleeping clinging to life by a mere thread held at the other end by the powerful fae but the thread holding

costin to his own sanity was just as feeble sally his world his light his brown eyes the only thing that keeps the darkness at bay was gone simply vanished costin didn't know how or where and it was tearing him up inside the young boy titus his adopted son was the only thing that kept his wolf from taking over completely costin would be strong for the boy for as long as he could but he wasn't sure how long he could keep the feral wolf at bay bethany the brave young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years was now sharing a room with her true mate with absolutely no understanding of what that meant though the girl had proven to be resilient she had no idea how to handle her the huge dominating werewolf that had staked his claim on her drake was past the point of feral when he'd found her and that kind of darkness doesn't let go without a fight the strongest of alpha females raised with a full understanding of pack law and the power of the mate bond would have had a tough time dealing with the wolf bethany a dormant who had no idea who or what she was didn't stand a chance

supernatural war is on the horizon and no one will escape unscathed enemy after enemy foe after foe has fallen before the combined might of the romanian grey wolves and their allies among the supernatural races but now the alliance doesn't fight a single supernatural threat it's no longer a single coven of vampires a lone deranged warlock or a rogue pack that threatens their safety now the wolves face a unified force of evil the order of the burning claw the order needs a representative from every supernatural race to unleash a spell that will enslave humanity forever and they've just recruited one of their most powerful members the order will stop at nothing to gain power including kidnapping the pack's children and its beleaguered healer the romanian pack would love nothing more than to bring the wrath of the great luna down upon their foes but how can they do that when their enemies hold captive the pack's greatest treasures before this is over bonds will be tested a new leader will rise and all hell will break loose

dalton black a canis lupis full of guilt and anger never expected to find his true mate perhaps already slipping into madness he had resigned himself to the fact that he would walk the earth without the other half of his soul he was convinced that his sins were enough to keep the great luna from giving him such a blessing he knew it was probably better that way his past was as dark as his name and after three centuries of running from it the memories were finally catching up to him but all of those resignations evaporated when he saw her broken and bloodied body lying on that altar though the man didn't recognize her the wolf did through battle and bloodshed he was able to save her from the evil that held her captive but now he would need her to save him from himself jewel stone was wholly unaware of the ancient bloodlines of gypsy healers mates to canis lupis and protectors of the packs much less that she carried that blood herself but when a beautiful but deadly woman showed up in her home and ripped her from her realm she knew her life would never be the same her mother gem a fortune teller had warned her that something was coming that her life was about to change dramatically but like everyone else jewel had dismissed her as a crazy person jewel was the laughing stock of her school simply because gem was her mother and up until now her life was one big disappointment after another instead of heeding her mother's warning she hid in her books burying herself behind knowledge both fact and fiction she escaped into worlds created by others and filled her mind with facts of every kind in an effort to push away the hurtful words that others bombarded her with despite all of her knowledge and all of her fantastical stories she never dreamed her own future would be full of adventure danger passion and the possibility of unconditional love as she lay unconscious after her first bloody encounter in the fae realm her only chance of survival lay in the hands of a man scarred by his past disfigured both emotionally and physically and beyond the reach of any who had tried to help him can two broken people who carry the other half of each other's souls span the chasm between them and restore the innocence ripped from both their lives will they let the promise of healing love overcome the difference in age and experience and the separation of species and realms or will they give in to the fear and doubt that would keep them from one another for eternity
