this provocative fiction explores the consequences of twins choices it is a riveting tale that follows the lives of twins john and thomas staid who are similar in every way until they grow distant in their beliefs and the paths they take from rural pennsylvania to a gritty housing area in pittsburgh from a small private college to a glittering silicon valley start up twins grapple with both their rivalry and the consequence of their choices the reader ultimately will feel an affinity for one of the brothers thus the question which twin will you love which will you hate readers will uncover surprises as the story unfolds marx ford engages the reader to an intellectual and intriguing literary adventure

this book approaches notions of being interculturality and new knowledge systems through a team of expert contributors who share their evidence based knowledge it attempts to address the missing connections between what is recognised as global knowledge and the underrepresented knowledges that are constructed across higher education

is sociology best understood as simply chipping away at our ignorance about society or does it have broader roles and responsibilities if so to what or perhaps to whom are these responsibilities installing humanity as its epistemological and normative start and endpoint this book shows how humanism recasts sociology as an activity that does not merely do things or effect things but is also self consciously for something rather than resurrecting problematic classical conceptions of humanism the book instead constructs its arguments on pragmatic grounds showing how a pragmatic humanism presents an improved picture of both the nature and value of the discipline this picture is based less around the claim that sociology is capable of providing authoritative revelations about society and more upon its capacity to offer representations of the social in epistemologically open transformative ethical and hopeful ways ultimately it argues that sociology s real value can only be disclosed by replacing its image as a discipline aimed towards disinterested social enlightenment with one of itself as a practice both dependent upon and at its best self consciously aimed towards human ends and imperatives it will appeal to scholars and students across the social sciences and to those working in social theory sociology and philosophy of the social sciences in particular

in an immensely varied and thoughtful collection of true life reflections on love marriage and the single life 26 authors with autism share their experiences and knowledge about successful and unsuccessful relationships digging deep into the many and varying ways in which autism affects feelings and relationships with others these honest and intelligent testimonies give the insider s perspective on love on the spectrum whether you re a serial dater hopelessly romantic or happily single these perceptive

and often funny explorations shows how to make good choices surmount bad ones and live a good life
