this book is probably the most comprehensive and detailed treatment of the festival of chanukah in the english language it commences by placing the festival in its historical context by surveying the history of the jewish people from abraham until alexander and proceeds to explain the origin nature and ramifications of hellenism and the spiritually corrosive effects it had on judea rabbi jeffrey cohen employs his customary analytical approach in looking at the classical sources afresh in order to describe the stages of the maccabean revolt and the reoccupation and cleansing of the temple a major question that he addresses is how such a unique military victory could have been so down played in jewish tradition to the extent that the miracle of the oil rather than the courageous maccabean exploits has become the popular rationale of the entire festival the author provides an encyclopaedic

treatment of the festival embracing its development and history philosophy theology rabbinic insights into the festival its laws including women's obligations and customs its celebration in home and synagogue its observance among exotic jewish communities as well as quiz questions and activities for the younger reader

in his eagerly awaited second edition of american foreign policy and political ambition james ray revisits his deceptively simple premise that the highest priority of leaders is to stay in power looking at how political ambition and domestic pressures impact foreign policymaking is the key to understanding how and why foreign policy decisions are made the text begins by using this analytic approach to look at the history of foreign policymaking and then examines how various parties inside and outside government influence decision making in a unique third section the book takes a regional approach not only covering trends other books tend to miss but giving students the opportunity to think comprehensively about how issues intersect around the globe from human security and democratization to globalization and pollution guided by input from adopters and reviewers ray has thoroughly reorganized the book and streamlined some coverage to better consolidate the historical institutional regional and topical chapters and focus the thematic lens of the book ray has also brought the book fully up to date addressing the latest events in american foreign policy including the wars in afghanistan and iraq the killing of bin laden the wikileaks scandal and its aftermath the impact of social media on foreign policy and world affairs nuclear proliferation developments in u s russian relations climate change and more

readers of this book will encounter peasants and farmers who struggle at home and traverse national borders to challenge the world trade organization and other powerful global institutions here are activists in brazil who uproot plots of genetically modified soybeans forest dwellers in indonesia who chop down rubber plantations to cultivate rice to feed their families runaway villages in china that take up arms to resist corrupt officials and mexican migrants who having exited in desperation return from abroad to transform their communities little known transnational agrarian movements of the early twentieth century share the stage with more recent high profile global alliances such as *vía campesina* rather than simply celebrating a dynamic sector of international civil society the authors tackle thorny questions of successes and failures ethical and political dilemmas troubled alliances with ngos protest repertoires and representation claims the essays in transnational agrarian movements confronting globalization analyze contemporary collective action in all its complexity acknowledging ambiguities and contradictions posing challenging questions and providing concrete strategies for scholars and activists contributors include suraya affix xochitl bada brenda baletti saturnino m borras jr marc edelman jonathan fox harriet friedmann tamara m johnson cristóbal kay kevin malseed philip mcmichael amber mcnair peter newell nancy lee peluso noer fauzi rachman ian scoones kathy lemons walker and wendy wolford
