an instant new york times bestseller a memoir of coming of age in a conservative southern family in postwar america to grow up in the 1950s was to enter a world of polarized national alliances nuclear threat and destabilized social hierarchies two world wars and the depression that connected them had unleashed a torrent of expectations and dissatisfactions not only in global affairs but in american society and americans lives a privileged white girl in conservative segregated virginia was expected to adopt a willful blindness to the inequities of race and the constraints of gender for drew gilpin the acceptance of both female subordination and racial hierarchy proved intolerable and galvanizing urged to become well adjusted and to fill the role of a poised young lady that her upbringing imposed she found resistance was necessary for her survival during the 1960s through her love of learning and her active engagement in the civil rights student and antiwar movements drew forged a path of her own one that would eventually lead her to become a historian of the very conflicts that were instrumental in shaping the world she grew up in culminating in the

upheavals of 1968 necessary trouble captures a time of rapid change and fierce reaction in one young woman's life tracing the transformations and aftershocks that we continue to grapple with today includes black and white images

richmond virginia pride of the founding fathers doomed capital of the confederate states of america unlike other southern cities richmond boasted a vibrant urban industrial complex capable of producing crucial ammunition and military supplies despite its northern position richmond became the confederacy's beating heart its capital second largest city and impenetrable citadel as long as the city endured the confederacy remained a well supplied and formidable force but when ulysses's grant broke its defenses in 1865 the confederates fled burned richmond to the ground and surrendered within the week confederate citadel richmond and its people at war offers a detailed portrait of life's daily hardships in the rebel capital during the civil war here barricaded against a siege staunch unionists became a dangerous fifth column refugees flooded the streets and women organized a bread riot in the city drawing on personal correspondence private diaries and newspapers author mary a decredico spotlights the human elements of richmond's economic rise and fall uncovering its significance as the south's industrial powerhouse throughout the civil war

the civilian war explores home front encounters between elite confederate women and union soldiers during sherman's march a campaign that put women at the center of a union army operation for the first time ordered to crush the morale as well as the military infrastructure of the confederacy sherman and his army increasingly targeted wealthy civilians in their progress through georgia and the carolinas to drive home the full extent of northern domination over the south sherman's soldiers besieged the female domain going into bedrooms and parlors seizing correspondence and personal treasures with the aim of insulting and humiliating upper class southern women these efforts blurred the distinction between home front and warfront creating confrontations in the domestic sphere as a part of the war itself historian lisa tendrich frank argues that ideas about women and their roles in war shaped the expectations of both union soldiers and confederate civilians sherman recognized that slaveholding confederate women played a vital part in sustaining the rebel efforts and accordingly he treated them as wartime opponents targeting their markers of respectability and privilege although sherman intended his efforts to demoralize the civilian population frank suggests that his strategies frequently had the opposite effect confederate women accepted the plunder of food and munitions as an inevitable part of the conflict but they considered union invasion of their private spaces an unforgivable and unreasonable transgression these intrusions strengthened the resolve of many southern women to continue the fight against the union and its most despised general seamlessly merging gender studies and military history the civilian war illuminates the distinction between the damage inflicted on the battlefield and the offenses that occurred in the domestic realm during the civil war ultimately frank's research demonstrates why many women in the lower south remained steadfastly committed to the confederate cause even when their prospects seemed most dim

when confederate men marched off to battle southern women struggled with the new responsibilities of directing farms and plantations providing for families and supervising increasingly restive slaves drew gilpin faust offers a compelling picture of the more than half million women who belonged to the slaveholding families of the confederacy during this period of acute crisis when every part of these women's lives became vexed and uncertain in this unc press short excerpted from mother's of invention women of the slaveholding south in the american civil war drew gilpin faust explores the legendary hostility of confederate women toward yankee soldiers from daily acts of belligerence to murder and espionage these women struggled not only with the yankee enemy in their midst but with the genteel ideal of white womanhood that was at odds with their wartime acts of resistance unc press civil war shorts excerpt compelling shorter narratives from selected best selling books published by the university of north carolina press and present them as engaging quick reads produced exclusively in ebook format these shorts present essential concepts defining moments and concise introductions to topics they are intended to stir the imagination and encourage further exploration of the original publications from which these works are drawn

the plaintiff universal patents inc was heartless the judge rex spider speyer was merciless ellen welles case seemed hopeless unless her lawyer could locate the mad creator of faust the robot inventor who'd given universal patents its stranglehold on the world economy she was sure to die for patent infringement a capital crime in the twenty first century quentin thomas ellen's lawyer already knew that the judge was a psychopath and he quickly learned just how dirty universal could play
