from the imagination behind flowers in the attic comes a sensational new novel that spins a seductive web between fantasies and lies and uncovers the price for keeping

two friends as close as sisters and one killer secret that will tear their small town apart in the dust and shadows of the attic the two girls shared everything fanciful stories high school crushes plans for the future dreams to travel the world for karen the attic is her escape from the reality of her stepfather s unwanted attention together in the eaves of a house with its own murderous history the best friends concoct a scheme that will put karen s stepfather in his place it wasn t supposed to turn deadly but in the deceptive stillness of the attic karen shares one more secret with her best friend a secret to take to the grave

for business investors in china the legal handling of trade secrets is often crucial however initiatives are often complicated by a patchwork trade secrets protection system pieced together haphazardly over the last two decades and drawing on disparate elements of competition law contract law

employment law and criminal law that diverges in significant ways from global standards and corresponding regimes in other countries now at last interested parties can benefit richly from a thorough and practical approach to the subject this detailed analysis of china s trade secrets law provides in depth information and guidance on such important factors as the following the current framework of china s trade secrets law its past development and its ongoing trends legal comparison of china s trade secrets law with various international regional and national schemes what constitutes trade secrets infringement in china and what remedies are available and the legal interaction in china between employment relations and trade secrets protection the author pays close attention to judicial practice and precedent in the areas of civil remedies criminal punishment and administrative penalties she also offers insightful proposals formulated to align china s trade secrets law more efficiently with prevailing global standards and generally improve the mechanisms for its implementation corporate counsel and international lawyers concerned with intellectual property rights or labour law in china will greatly appreciate the knowledgeable guidance this book affords they will gain a deeply informed perspective that allows them to avoid infringement to battle it effectively if occasion arises and to plan dispute resolution strategies for contingencies involving trade secrets protection in china

book shop owner rarity cole got a second chance at life unfortunately not everyone is so lucky after a body is found and an ominous tarot reading spells disaster she must keep her friend safe from a killer even if the cards are stacked against her in a mystery readers of richard osman and ellery adams will devour following her recovery from breast cancer rarity has embraced a life of healing and service in her sedona arizona community she welcomes the opportunity to participate in the annual summer healing fair with her fittingly named new age bookstore the next chapter the members of the tuesday night survivors book club are also volunteering maintaining a cooling station for overheated festivalgoers and hosting a tarot card reader for entertainment but one member darby is anything but entertained when the tarot reader pulls a death card with a mammogram coming up she s freaked out and goes home only to walk into a crime scene where someone near and dear to her has been murdered despite the objections of detective drew anderson rarity is determined to help her friend and protect her from being the killer s next victim

as engaging as it is astonishing this book provides extremely important revelations and striking pen portraits etched in acid of the main actors certainly the sources are fabulous john erickson author of the road to stalingrad a well written account filled with original material and documentation good reading for anyone interested in the history of wwii intelligence publishers weekly starred review
