a gripping behind the scenes look at new york s sanitation workers by an anthropologist who joined the force robert sullivan author of rats america s largest city generates garbage in torrents 11 000 tons from households each day on average but new yorkers don t give it much attention they leave their trash on the curb or drop it in a litter basket and promptly forget about it and why not on a schedule so regular you could almost set your watch by it someone always comes to take it away but who exactly is that someone and why is he or she so unknown in picking up the anthropologist robin nagle introduces us to the men and women of new york city s department of sanitation and makes clear why this small army of uniformed workers is the most important labor force on the streets seeking to understand every aspect of the department s mission nagle accompanied crews on their routes questioned supervisors and commissioners and listened to story after story about blizzards hazardous wastes and the insults of everyday new yorkers but the more time she spent with the dsny the more nagle realized that observing wasn t quite enough so she joined the force herself driving the hulking trucks she obtained an insider s perspective on the complex kinships arcane rules and obscure lingo unique to the realm of sanitation workers nagle chronicles new york city s four hundred year struggle with trash and traces the city s waste management efforts from a time when filth overwhelmed the streets to the far more rigorous practices of today when the big apple is as clean as it s ever been an intimate look at the mostly male work force as they risk injury and endure insult while doing the city s dirty work and a fascinating capsule history of the department publishers weekly nagle s passion for the subject really comes to life the new york times evokes the physical and psychological toll of this dangerous filthy necessary work nature nagle joins the likes of jane jacobs and jacob riis writers with the chutzpah to dig deep into the rube goldberg machine we call the big apple and emerge with a lyrical clear eyed look at how it works mother jones

2015 nyc sanitation worker exam this is the only book available that will give you 1 recipe for passing 2 sample questions that will cover all the sections that will be on the exam 3 additional study resources and techniques a clean simple organized study guide being a nyc

sanitation worker and or any civil service worker in nyc is a job that is rewarding and will provide you and your family a good living for many years to come questions in this book were developed with input from actual civil servants please note this book has been revised to reflect corrections and additions

fresh kills a monumental 2 200 acre site on staten island was once the world s largest landfill from 1948 to 2001 it was the main receptacle for new york city s refuse after the 9 11 attacks it reopened briefly to receive human remains and rubble from the destroyed twin towers turning a notorious disposal site into a cemetery today a mammoth reclamation project is transforming the landfill site constructing an expansive park three times the size of central park martin v melosi provides a comprehensive chronicle of fresh kills that offers new insights into the growth and development of new york city and the relationship among consumption waste and disposal he traces the metamorphoses of the landscape following it from salt marsh to landfill to cemetery and looks ahead to the future park by centering the problem of solid waste disposal melosi highlights the unwanted consequences of mass consumption he presents the fresh kills space as an embodiment of massive waste linking consumption to the continuing presence of its discards melosi also uses the landfill as a lens for understanding staten island s history and its relationship with greater new york city the first book on the history of the iconic landfill fresh kills unites environmental political and cultural history to offer a reflection on material culture consumer practices and perceptions of value and worthlessness

the covid 19 pandemic hit the world as a purportedly novel situation with which people struggled to come to terms the contributions to this volume show how various actors reacted to this pandemic through specific forms of representation and storytelling in popular culture public discourse and science communication they demonstrate how these representations both leverage new media and resort to familiar scripts and characters to make sense of the situation thus they uncover the transformative potential of narratives about epi pandemics across different domains and their contribution to the production of knowledge as well as the recalibration of norms and values

new york city is the undisputed center of the north american art world and its public art is one of the most evident signs of its cultural wealth for more than 30 years creative time has been an avatar of public art in the city working to engage art and the environment artists

and the public creative time the book shows how a single organization made it possible for thousands of artists to present awe inspiring works that engage taunt seduce enliven and transform a city creative time artworks have been seen in spaces both lofty and modest light projections have appeared on the beaux arts entrance to the new york public library and from ground zero in the now famous tribute in light memorial to 9 11 signage has popped up on times square s astrovision screen and along the boardwalks of coney island music has blasted in central park as well as under tunnels in dumbo brooklyn creative time s community includes many of the world s most dynamic emerging and established artists among them vito acconci doug aitken laurie anderson diller scofidio david byrne felix gonzalez torres cai guo qiang jenny holzer ryan mcginness vik muniz takashi murakami shirin neshat sonic youth and william wegman in more than 300 images from the hilarious to the elegiac this dazzling volume highlights the best and most innovative work from the organization s 33 years contributors to the volume are among the most important voices in the field of public art their commentary collectively shapes this must have book for anyone interested in contemporary art or in the unapologetically diverse heartbeat of new york in keeping with creative time s innovative spirit the book itself is the result of a public art installation each cover is unique a tip on displays the colors sound and weather in new york recorded over a two week period
