traditional institutions and public administration in democratic africa tackles the most pressing contemporary administrative issues of africa the first chapter opens with a thorough discussion on neo colonialism in africa it questions the authenticity of african democracy as it points out the presence of groups and individuals who exploit african resources to their advantage the chains of colonialism have perpetually defeated democracy in africa and the former oppressors continue to financially and politically control their former colonies the authors probe into the traditional institutions as well as the functions of the government to explain the political status quo of africa it emphasizes the negative impact of adhering to democratic structures that impair the positive practices and values of the traditional african administrative culture an eye opener traditional institutions and public administration in democratic africa boldly exposes revolutionary views that challenge and defy democracy in africa

this book argues that american democracy is in crisis the economic system is slowly subjecting americans of nearly all income levels and backgrounds to enormous amounts of stress the united states lacks the state capacity required to alleviate this

stress and politicians increasingly find that if they promise to solve economic problems they are likely to disappoint voters instead they encourage voters to blame each other the crisis cannot be solved the economy cannot be set right and democracy cannot be saved but american democracy cannot be killed either americans can t imagine any compelling alternative political systems and so american democracy continues on in a deeply unsatisfying way americans invent ever more elaborate coping mechanisms in a desperate bid to go on but it becomes increasingly clear that the way is shut the american political system was made by those who are dead and the dead keep it this new edition includes audiobook files at the chapter level
