gender race and class is a critical overview of these three well known dimensions of the social world the study of gender race and class as a combined topic has evolved over the years and this concise accessible volume shows why the subject continues to resonate both in and outside the academy examines recent scholarship to how one s gender with the added dimension of race and class can impact one s experiences in society probes deeper under the surface of different biases to see whether common elements of discrimination may also be at work includes a conceptual vocabulary that describes how gender race and class interrelate

this ambitious philosophical anthology combines analyses and surveys of contemporary theorising on social identity

it has long been said that clothes make the man or woman but is it still true today if so how has the information clothes convey changed over the years using a wide range of historical and contemporary materials diana crane demonstrates how the social significance of clothing has been transformed crane compares nineteenth century societies france and the united states where social class was the most salient aspect of social

identity signified in clothing with late twentieth century america where lifestyle gender sexual orientation age and ethnicity are more meaningful to individuals in constructing their wardrobes today clothes worn at work signify social class but leisure clothes convey meanings ranging from trite to political in today s multicode societies clothes inhibit as well as facilitate communication between highly fragmented social groups crane extends her comparison by showing how nineteenth century french designers created fashions that suited lifestyles of paris elites but that were also widely adopted outside france by contrast today s designers operate in a global marketplace shaped by television film and popular music no longer confined to elites trendsetters are drawn from many social groups and most trends have short trajectories to assess the impact of fashion on women crane uses voices of college aged and middle aged women who took part in focus groups these discussions yield fascinating information about women s perceptions of female identity and sexuality in the fashion industry an absorbing work fashion and its social agendas stands out as a critical study of gender fashion and consumer culture why do people dress the way they do how does clothing contribute to a person s identity as a man or woman as a white collar professional or blue collar worker as a preppie yuppie or nerd how is it that dress no longer denotes social class so much as lifestyle intelligent and informative this book proposes thoughtful answers to some of these questions library journal

rising exclusion rates indicate the continuing marginalisation of many young people in education in the uk working class boys children living in poverty and children with additional special educational needs are among those experiencing a disproportionate rate of exclusion this book traces the processes of exclusion and alienation from school and relates this to a changing social and economic context jean kane argues that policy on schooling including curricular reform needs to be re connected to the broad political pursuit of social justice and presents compelling case studies of excluded pupils showing the multi faceted identities of pupils with a particular focus on masculine and feminine identities this invaluable contribution to the literature offers an alternative analysis where the social identities of pupils are shown to be tied up with their exclusion from school themes investigated include the meanings of school exclusions social class gender and schooling social identities of excluded pupils negotiating identities in school moving towards exclusion exclusions and young people s lives improving participation in schooling providing fascinating reading for teachers social workers researchers and policy makers this book considers how educational disadvantage might be addressed through recognition of the gender and class identities of pupils

this volume focuses on intersections of race class gender and nation in the formation of the fin de siècle spanish and spanish colonial subject despite the wealth of research produced on gender social class race and national identity few studies have focused on how these categories interacted frequently operating simultaneously to reveal contexts in which dominated groups were dominating and vice versa such revelations

call into question metanarratives about the exploitation of one group by another and bring to light interlocking systems of identity formation and consequently oppression that are difficult to disentangle the authors included here study this dynamic in a variety of genres and venues namely the essay the novel the short story theater and zarzuelas these essays cover canonical authors such as benito p  rez gald  s and emilia pardo baz  n and understudied female authors such as rosario de acu  a and bel  n s  rraga the authors included here study this dynamic in a variety of genres and venues namely the essay the novel the short story theater and zarzuelas the volume builds on recent scholarship on race class gender and nation by focusing specifically on the intersections of these categories and by studying this dynamic in popular culture visual culture and in the works of both canonical and lesser known authors

using a gender sensitive political economy approach this book analyzes the emergence of new migration patterns between central mexico and the east coast of the united states in the last decades of the twentieth century and return migration during and after the global economic crisis of 2007 based on ethnographic research carried out over a decade details of the lives of women and men from two rural communities reveal how neoliberal economic restructuring led to the deterioration of livelihoods starting in the 1980s similar restructuring processes in the united states opened up opportunities for mexican workers to labor in us industries that relied heavily on undocumented workers to sustain their profits and grow when the great recession hit in the context of increasingly restrictive immigration policies some immigrants were more likely to return to mexico than others this longitudinal study demonstrates how the interconnections among class and gender are key to understanding who stayed and who returned to mexico during and after the global economic crisis through these case studies the authors comment more widely on how neoliberalism has affected the livelihoods and aspirations of the working classes this book will be of key interest to scholars students and practitioners in migration studies gender studies politics and more broadly to international relations anthropology development studies and human geography

study with special references to tamil nadu india

this is the first text in the rapidly growing study of the intersections of race class gender and sexuality in the united states today using clear and accessible language analysis of case studies and a progression of questions for critical reflection the text presents a conceptual framework for the analysis of the interlocking nature of race class gender and sexuality systems of oppression the framework illustrates that race class gender and sexuality are socially constructed historically and globally specific power relations that are simultaneously expressed at the macro institutional and the micro individual levels the analysis presented is complex addresses the intersections of oppressive systems without rank ordering them and points toward effective strategies to promote social justice a leader in the development of race class gender and sexuality

scholarship weber has carefully devised the pedagogy of the text and the case studies to reflect the knowledge she has gained from almost twenty years of teaching and consulting with faculty and students across the country about the most effective ways to communicate these complex and sometimes emotionally charged ideas in ways that engage diverse audiences
