about the book applying to college is likely the most stressful and important moment in a teenager's academic life pressure from friends family teachers and oneself add up to make this an overwhelming process to go through especially for students applying to the nation's most selective schools one major reason for this stress is the uncertainty of the application process often the students who apply to top schools are used to feeling in control of their lives and planning their future but because there are no sure admittances in elite admissions the feeling of helplessness can be overwhelming there are a number of resources available to students who wish to maximize their chances of admission however i as a former admission officer at a selective university feel that many are misleading in some cases the advice given is very specific to one school which isn't useful for the majority of students or it's too vague and in some other cases students try to compare their statistics with the statistics of other seemingly similar students to gauge their chances of admission perhaps the worst resource of all meet the author erin andrews is the former assistant director of undergraduate admissions at stanford university she read and evaluated thousands of applications from the us as well as more than 70 countries around the world and through that she has developed a unique perspective on what it takes to get into the nation's elite colleges she completed an m a in education at stanford university's school of education in the policy organization and leadership studies program she also earned a b a in history with honors at stanford she now works with students to help them uncover their intellectual and personal interests and present the best version of themselves in the elite admissions process excerpt from the book the purpose of the application in selective admissions is to understand the context from which the applicant is coming in order to decide which students to admit when admit rates are so low once the context has been established then the admission officer tries to find out if the student has taken advantage of the opportunities available to him and has either a made a lasting impact in his community in some way or b has the potential to make a lasting impact in his future community college and beyond despite popular belief every application is actually

read in its entirety by an admission officer in the selective admissions process

becoming a full time stand up comedian isn't usually a formulaic process unlike college admissions law school or medical school there is no predictable path whether you've never written a joke before or are a veteran performer looking to make this a full time profession learn how to make stand up comedy your full time job and how to make money doing it opportunities to perform are everywhere but they aren't necessarily easy to find here an acclaimed and experienced full time touring performer teaches you how to kickstart your career as a comedian in this ebook dan nainan shares the secrets of his business and walks readers through building their own careers in comedy

nb cd not included the concept of the ultimate book on vocal sound healing is the note from heaven a condition of bliss where time disappears and the voice seems to sing you rather than you sing the voice the experience of surrendering to the note from heaven is overwhelming and leads the singer into a state of oneness where present past and future merge together and energetic patterns and traumas can be transformed and profound healings happen book i the note from heaven how to sing yourself into contact with oneness book ii regressive cell singing how to sing yourself free of traumas and change emotional programming book iii sound healing how to sound scan a fellow being with your voice plus a q a with members from the white brotherhood

how do i land an internship with goldman sachs investment banking if you're looking for unique strategic and actionable tips to successfully navigate the recruitment application and interview process at goldman sachs then this is the ebook you need to read do you want to intern at one of the most competitive and professionally ranked firms in the world of global finance former goldman analyst and recruiter lisa sun provides insider advice on how to land your investment banking internship at goldman sachs and how this opportunity could turn into full time employment the best book on goldman sachs investment banking jobs is guaranteed to help you along the application interview and admissions process for both an internship and career in investment banking now let's get started

want to land an internship at jp morgan our internship expert erin has fought for her spot at top bulge bracket banks and boutique firms she knows how stressful it can be to face case study questions at interviews and she wants to help you stand out from the thousands of other applicants to earn your position at jp morgan erin guides you step by step from interview preparation to conquering the 90 hour work week you're a business major with dreams of a fast paced high intensity career on wall street you know that internships and work experience are the key to landing jobs after college and you'll need every possible advantage to outshine other qualified students competing for the same summer internship however many other guides substitute fluff for practical advice and you want to hear the strategies for success from a real intern erin's tips will give you an unfair advantage over your toughest competitors as you network at info sessions nail your interview questions and rise to the top of your internship class what you'll get from our insider's guide an interview handbook with 200 advanced interview practice questions and 5 tips to stand out from the competition a comprehensive style guide for writing the 4 types of cover letters and highlighting your deliverables rather than responsibilities on your resume insider scoop on what bankers look for in successful intern applicants a survival guide for banking life building your own social empire dressing for success conquering fatigue meet erin parker erin is an economics student at stanford university she has had three investment banking internships spanning ubs private wealth management ft partners financial technology coverage and j p morgan in new york syndicated and leveraged finance she is co president of blyth fund a six figure student investing group and is on the board of stanford finance erin is also the finance director of gumball capital a student run startup whose mission is poverty alleviation what readers are saying i wish that this book had existed when i was applying for positions back in college i was a economics major with almost no real job experience and it must have shown in my interviews i got lucky because ubs was willing to take a chance on me as a summer intern which led me to get where i am now if i could do it again though i would take the much easier route and read this book it would have prepared me for the parts of the job i never imagined first year analyst at citigroup applying for my summer internship was a rough experience i was afraid that i would never get the chance to show my skill in investment research to big companies because i would be rejected before i ever made it to the internship stage fortunately for me this book helped me prepare

and build my interview skills to the point where i felt that i had not just a fair shot at the job but an unfair advantage over the other candidates it s a must read current intern at goldman sachs

mike amerson co founder and president of wet productions inc learned the hard lesson that many developers face today just because you built it doesn t mean they will come his game my virtual girlfriend went nine months with only modest sales until late in december of 2010 when he gathered what he d learned about app discoverability and used it to propel the game to the top 100 list for its category furthermore the game has only gained momentum sitting in the top 25 for over a year though mike overcame the challenges of app development he knows exactly what it s like for a developer to spend time and money on a project that falls flat today he shares his knowledge with other struggling developers encouraging them to follow their dream to venture out and find success in the ios space

android can seem intimidating if not downright overwhelming for a first time developer in the best book on finding developing your android app idea edward kim walks android rookies through the process from conceptualization straight through to the android market helping them through the basics so they can get right down to what s important to their application
