growth has helped believers advance in their pursuit of gaining christ by showing them  
the way to let the lord fully gain them according to nee the most frustrating  
experience of believers today is that in seeking for progress in the spiritual path they  
do not find the proper way as a result they grope in darkness being at times high or  
low lingering around the crossroads year in and year out and having no one to consult  
for direction the author of this book was such a one for this reason the book  
emphasizes clear guidance on the proper path every chapter of this book is for the  
purpose of directing the believers on the right course therefore all those who seek  
after god with an honest heart can go step by step accordingly almost every chapter

in the holy scriptures spiritual life is often pictured as a spiritual journey in reviewing watchman nee's life we can easily notice four distinct stages in his spiritual journey the first stage covers the years from 1920 to 1928 from his regeneration to his basic spiritual training the second stage comprises the years from 1928 to 1942 the period from the expansion of the work to his withdrawal from ministry the third stage encompasses the years from 1942 to 1952 that is from brother nee's withdrawal from ministry to his captivity by the chinese communists the final stage covers the years from 1952 to 1972 from his arrest and imprisonment to his death all four stages are clearly reflected in either brother nee's writings or his spoken ministry

from god in this present volume brother watchman nee shared with us what he had learned through the years of his serving god he delivered these messages towards the latter years of his freedom these are fundamental and essential to true service may all who truly desire to serve god to his satisfaction learn this open but neglected secret

the christian life seemingly involves many outward matters and things such as baptism the breaking of bread worship praise prayer forgiveness humility and love for one another as such it is easy to focus on these things but miss the spiritual reality behind them this reality is the holy spirit apart from the holy spirit who is the spirit of reality all of these things no matter how faithfully practiced are merely outward conduct that is devoid of any real inward spiritual content

in leading the young people there are two indispensable aspects spiritual knowledge and spiritual life the spiritual content we impart into our young people must be related to both aspects and we should not lean too much toward one or the other we must be balanced according to god s law in the universe everything is balanced thus in our service with the young brothers and sisters we should keep the principle of being balanced we should give the young people knowledge and life in such a way that these aspects interact with each other

listen to the prayer of the apostle paul for his beloved church in philippi this i pray that your love may abound yet more and more in knowledge and all discernment so that ye may approve the things that are excellent that ye may be sincere and void of offence unto the day of christ phil 1 9 10 what was it that inspired him to offer such a prayer for the dear saints in philippi do we today desperately need the same prayer we talk about love and fellowship and yet we encounter many problems and failures what is the missing link to a glorious church can it be the lack of full knowledge and all perception that ye may prove or distinguish the things that differ literal translation certainly spiritual discernment is the pressing need of today how can we obtain this full knowledge of god where do we get spiritual discernment that we may know the things which differ or are more excellent these are the matters which brother watchman nee tried to address during his latter years of ministry this present volume entitled spiritual discernment is composed of three parts abound in knowledge abound in discernment and approve the excellent the publishers were able to acquire these notes in chinese recently and they have now been translated into english for sharing with the english speaking saints may these notes help many in meeting the pressing need of today
