in this true story written for young readers a teen is the only survivor of a plane crash and must stay alive in the south american jungle until rescue peru christmas eve 1970 it was supposed to be a routine flight carrying eighty six passengers across the andes mountains and home for the holiday but high above the amazon rainforest a roiling storm engulfs the plane lightning strikes a deafening whoosh sweeps through the cabin and suddenly seventeen year old

juliane koepcke is alone the plane has vanished she is strapped to her seat and plunging 3 500 feet to the forest floor on christmas day she wakes she is injured covered in mud but strangely miraculously alive and now in a remote corner of the largest rainforest on earth the real battle for survival begins

explore the uncharted amazon with acclaimed botanist and pioneering amazonian explorer richard evans schultes guided by an intimate narrative that supplements his photography of indigenous tribes hallucinogenic plants stunning vistas and much more

in 1995 stephen kirkpatrick joined a five man expedition into the remote jungles of the peruvian amazon kirkpatrick s assignment was to document an area of the rainforest that had never before been photographed nor by most accounts ever explored by white men within hours of their departure an inaccurate map and a series of bad decisions leave the group hopelessly lost in the depths of the amazon jungle what began as a career making photo expedition quickly turned into a desperate struggle for survival the five men battle poisonous reptiles hungry bugs torrential rains brutal heat and an unforgiving landscape in an attempt to find their way back to civilization they soon learn that survival is not only a physical but a mental and spiritual challenge as well lost in the amazon is a gripping sometimes humorous and ultimately inspirational story about the human drive to survive and about clinging to faith in the worst circumstances imaginable

a stunning visual tribute to the greatest amazonian explorer and ethnobotanist of the twentieth century in 1941 richard evans schultestook a semester s leave of absence from harvard and disappeared into the northwest amazon of colombia twelve years later he returned having gone places no outsider had been mapping uncharted rivers and living among two dozen indian tribes while collecting some thirty thousand botanical specimens including two thousand novel medicinal plants and three hundred species new to science the lost amazonis the first major publication to examine schultes work as seen through his photographs the book features text by wade davisand facsimile reproductions of schultes original handwritten notes from the field

the reader decides the course of the action in six stories

when a brilliant scientist is abducted from a hotel in rio de janeiro miss mallard the famous ducktective embarks on a dangerous search that takes her deep into the amazon jungle

the french scientific expedition that set off for peru in 1735 did not have much luck five of its members died or went insane before their seven years work was completed but jean godin the youngest member of the team fell in love with and married a local girl isabela the daughter of the local spanish governor after a few years godin crossed the andes and travelled the amazon to test whether it was a route suitable for his family unfortunately having safely reached cayenne in french guiana he discovered the political situation prevented his return neither the spanish nor the portuguese would allow his passage back upriver after almost 20 years during which jean waited on in guiana the king of portugal sent a boat to retrieve the family isabela at last set off with her children her brothers and her servants over the andes and down the amazon but the journey was to prove worse than the waiting smallpox starvation the torrential river and the horrors of the jungle beset the travellers some drowned some ran away others died of hunger in the end isabela alone survived of the 42 who set off she was found wandering in the jungle sick and half crazed

before they were amazonian queens they were simply mothers concerned about their children at the hands of man so long ago two children went missing one a young teen witch and one a young fairy child missing and unaccounted for unbeknownst to each witches and fairies alike it would begin a reconciliation which was thousands of years delayed both witches and fairies worried with grief began a search for their youth only to be met with the truth of their demise at the hands of the savage man neither people could have foreseen the unification of their world nor could they have predicted that they would become the most powerful people of all the dimensions and that they would call their most beautiful land and dimension amazon named after the place in another dimension where the last talisman of the great elders wall was found at the beginning of the age of the elders long ago no one could have foreseen the following events that led up to the missing of the twelfth queen and unless they find her all the accomplishments theyve achieve since the brutality of the missing girls so long ago will be lost while the search is on to find the twelfth queen and to find out what happened to her time is running out as man has grown a thousand fold and is even more brutal as they once were long ago the highest of the all witches and fairies alike was the twelfth queen and without her guidance they are faltered unsure and on the verge of internal war as they close their prayers with we are the time and we are one there are those around the queens table that worry silently if the twelfth queen is even still alive and if she is not their steadfast fears just may become reality a war among the witches and fairies with man gravely on their very doorstep threatening to destroy them both would cripple witches and fairies alike separately they believe man can defeat them each blaming the other for lack of focus and an overall weaker spirit and if this worried insecure reasoning grows among them it could cost them everything so her most cherished and dearest of friends dartilia searches and searches for her anywhere and everywhere all in hopes of finding her most cherished and dearest of friends fayla as she searches she

remembered all fayla had taught her and how she came to be known as fayla gentle and cruel however still loved by most but clearly and urgently missed by all

amazon explorer examines how researchers are learning about the rain forest s plants and animals what discoveries are being made in the amazon and how people are working to combat the effects of deforestation and climate change features include vivid photos in depth examinations of scientific concepts a glossary additional resources source notes and an index aligned to common core standards and correlated to state standards essential library is an imprint of abdo publishing a division of abdo

the amazon indian is an icon that straddles the world between the professional anthropologist and the popular media presented alternately as the noble primitive the savior of the environment and as a savage dissolute cannibalistic half human it is an image well worth examining stephen nugent does just that critiquing the claims of authoritativeness inherent in visual images presented by anthropologists of amazon life in the early 20th century and comparing them with the images found in popular books movies and posters the book depicts the field of anthropology as its own form of culture industry and contrasts it to other similar industries past and present for visual anthropologists ethnographers amazon specialists and popular culture researchers nugent s book will be enlightening entertaining reading

this new edition has been completely revised with updated information on hotels lodges and tour operators it contains a detailed and illustrated natural history section on native species and habitats the amazon is an ideal location for eco travellers naturalists sports enthusiasts and explorers travellers are given sound advice on responsible travel and planning their own expedition

a fascinating study of a jewish community in one of the world s most isolated places the heart of the peruvian amazon

1 new york times bestseller from the author of killers of the flower moon and the wager comes a masterpiece of narrative nonfiction with all the pace and excitement of a movie thriller the new york times that unravels the greatest exploration mystery of the twentieth century the story of the legendary british explorer who ventured into the amazon jungle in search of a fabled civilization and never returned grann is one of the preeminent adventure and true crime writers working today new york magazine after stumbling upon a hidden trove of diaries acclaimed writer david grann set out to determine what happened to the british explorer percy fawcett and his quest for the lost city of z for centuries europeans believed the amazon the world s largest rain forest concealed the glittering kingdom of el dorado thousands

had died looking for it leaving many scientists convinced that the amazon was truly inimical to humankind in 1925 fawcett ventured into the amazon to find an ancient civilization hoping to make one of the most important discoveries in history then he vanished over the years countless perished trying to find evidence of his party and the place he called the lost city of z in this masterpiece journalist david grann interweaves the spellbinding stories of fawcett s quest for z and his own journey into the deadly jungle look for david grann s latest bestselling book the wager
