contains 11 modules consist of a number of activities designed to
demonstrate the use of the history of mathematics in the teaching of
mathematics objectives of the modules to enable students to develop a
much richer understanding of mathematics and its applications by viewing
the same phenomena from multiple mathematical perspectives to enable
students to understand the historical background and connections among

historical ideas leading to the development of mathematics to enable students to see how mathematical concepts evolved over periods of time to provide students with opportunities to apply their knowledge of mathematics to various concrete situations and problems in a historical context to develop in students an appreciation of the history connected with the development of different mathematical concepts to enable students to recognize and use connections among mathematical ideas to enable students to understand how mathematical ideas interconnect and build on one another to produce a coherent whole to lead students to recognize and apply mathematics in contexts outside of mathematics publisher

a book on mathematics

a powerful and proven guidebook that shows organizations how to recognize racism in designed artifacts systems and experiences and how to replace them with anti racist design solutions anti racist design interventions can be difficult well intentioned conversations can fuel tensions activate racialized trauma and lead to misunderstandings especially in spaces not typically focused on diversity equity and inclusion even when progress is made white supremacy culture can resurface we need anti racist guidelines and approaches that lay bare racialized systems of oppression and fundamentally disrupt their replication in racism untaught lisa e mercer and terresa moses two veteran anti racist educators deliver this exact approach mercer and moses provide a step by step guide to anti racist interventions in academic business and community settings that benefits all participants adapted from their successful workshop series and filled with concrete examples and ample case studies their book teaches participants how to analyze design and reimagine racialized artifacts systems and experiences guided by anti oppressive principles they demonstrate how to examine positionality within the context of racism and oppression help us understand how design can reinforce and perpetuate oppression and reveal the unique relationship among equity ethics and responsibility that constitutes the core value of an anti racist design discipline in racism untaught mercer and moses provide the framework we need to unlearn racialized design practices and move more generatively toward collective liberation with a foreword by renowned designer cheryl d miller racism untaught is a valuable tool for anyone who wants to help themselves and their organization create an actionable and inclusive plan to dismantle racial oppression and instead realize equitable anti racist and liberatory design

gender equity can't happen without racial equity we need shared sisterhood bias persists in organizations and society despite efforts that have been made in the last few decades gender and racioethnic

equity still hasn't been achieved what's worse black indigenous asian and latina women are being held back more than their white counterparts we need to change how we strive for equity we must move beyond individual solutions toward collective action where people from historically power dominant and marginalized groups work together so that all women experience the benefits of professional growth and equity we need shared sisterhood and anyone regardless of gender can join in professor tina opie first started shared sisterhood as a movement to drive gender and racial equity in organizations since then she and professor beth a livingston have worked together to spread the word to leaders across organizations with thousands of followers joining the cause in this book they explain how to use vulnerability trust empathy and risk taking to build shared sisterhood and break down three key parts of the process dig into your own assumptions around racioethnicity gender and power bridge the divide between women of all backgrounds through authentic relationships advance all women across the organization and beyond balancing a mix of history research and real life examples including the authors own experiences this book encourages everyone to join shared sisterhood and advance equity for all

selected as a 2025 doody's core title choice 2025 outstanding academic title cultural humility in libraries a call to action and strategies for success explores cultural humility as a framework for encouraging ongoing self education and empathy to enhance understanding of the lived experiences of others including insights from more than 30 contributors it offers best practice strategies tempered by experiences and wisdom and challenges information professionals to embrace cultural humility as a powerful tool for nurturing dialogue understanding and positive transformation the book is divided into three parts what is cultural humility applications in libraries and voices from the field part i addresses what cultural humility is and the importance and relevance of its role in healthcare in part ii the authors describe how they apply principles of cultural humility in their work environments via lessons learned practical strategies development opportunities and challenges when integrating cultural humility in library settings in part iii the voices of diverse professionals unpack the application of cultural humility through their lens sharing their stories of what cultural humility has meant in their lives how they have applied it in their work and the challenges they have faced in doing so cultural humility in libraries is a call to action for readers to look inward to assess the role and impact of cultural humility in their own lives in particular readers are encouraged to deliberately reflect and think critically about how their thoughts words and actions impact the people around them
