an analysis of the fundamental doctrines of the christian faith as revealed in the bible it is not an interpretation it also exposes erroneous doctrines of religious cults

sometimes as parents and leaders we get so caught up in the day to day activities that we do to carry out our jobs we don't see some of the places that are broken in our own lives we often miss those spots where we need to take a closer look at ourselves we wear masks and phony smiles and attempt to portray that all is good when in reality we're dying on the inside and don't know how to fix what's wrong and worse sometimes we don't even know what's really wrong until a truth is exposed

one must understand what truth is and accept the truth before one can recognize the lies and the liar a misinformed and misguided church is vulnerable to those who seek to keep her members blinded from truth discouraged from seeking answers and distracted from asking the right questions the prayer is readers will receive wisdom and consequently neither self-righteous pride nor selfish desires will blind their eyes from seeing truth eph 1:17 james 4 the faithful in christ must share wisdom with humility and love if believing christ is the truth and the primary source of truth if the truth is not shared in balance with the love of christ perhaps the instructor is misled however the instructor may just be misjudged for growing impatient with a faithless generation however even in this christ can relate when stating oh faithless and perverse generation how long shall i be with you how long shall i suffer you matt 17:17 kjv where christ frequently seemed frustrated with the proudful like the self-righteous pharisees or sadducees his loving attitude towards the children is clear therefore the prayer is also for readers to better share the truth with their children and to remember the child-like faith they had before exiting university or seminary one must have reverence for god when remembering the one who hinders others from seeing the truth is an enemy of truth
