haydn composed his famous concerto especially for trumpet for his friend anton weidinger 1766 1852 a virtuoso performer who developed a special keyed trumpet which allowed a full chromatic scale weidinger's invention while somewhat successful was ultimately superseded by the valve system used now in the 1830s haydn's concerto was first performed on march 28 1800 in vienna with weidinger as soloist not long after his appointment as imperial royal court and theatre trumpeter the new study score offered here is a reduced size format of the newly engraved and well researched large score prepared in 2010 by clark mc alister
