if you think the world has changed dramatically in the last five years you haven't seen anything yet you will never

look at the world in the same way after reading as the future catches you juan Enriquez puts you face to face with unprecedented political ethical economic and financial issues dramatically demonstrating the cascading impact of the genetic digital and knowledge revolutions on all our lives genetics will be the dominant language of this century those who can speak it will acquire direct and deliberate control over all forms of life but most countries and individuals remain illiterate in what is rapidly becoming the greatest single driver of the global economy the choice is simple either learn to surf new and powerful waves of change or get crushed trying to stop them the future is catching us all let it catch you with your eyes wide open

are displaced and emigrated academics at risk or in reserve are political oppression of dissident scholars and economic precarization of academic workforce separate phenomena or two sides of the same coin can the pervasive precariousness in its various forms foster a conversation on shared sensibilities and can traumatic experiences like exile and loss eventually lead to a revival of agency based on the author's own experiences and on in depth interviews with the exiled peace academics at the margins of academia offers a broad approach to the challenge of academic labor precarity and the growing academic migration from turkey to european academic labor markets it provides a detailed analysis of the systemic background of precariousness and the socio emotional expressions of being kept in reserve in conjunction with the antinomies of exile

in leading the way hewitt associates business leaders robert gandossy and marc effron present their findings from the largest research project ever conducted on leadership the top companies for leaders using data from more than 600 companies around the globe and interviews with senior executives at the top companies they present a compelling business case for investing in growing leaders their stories examples and tactics provide tangible practical tools for leaders everywhere

dr norman l geisler has been called the father of evangelical christian philosophy he has written more than one hundred books and taught at universities and top seminaries for some fifty six years he was the first president of the evangelical philosophical society and the founder and first president of the international society of christian apologetics he has

spoken or debated in more than two dozen countries and held pastoral pulpit ministries in four states many view him as a cross between thomas aquinas and billy graham no one has done more to communicate the modern challenges of the faith to the average christian to the church and to the academy this volume offers creative and constructive essays from twenty three contributors all notable in their own right who preserve and propagate dr geisler s ideas and express appreciation for his influence those who know him best say he is true faithful and blessed by god
