the poems in raised by humans are about surviving childhood and colonization childhood did not agree with deborah miranda mostly because the adult humans in charge of her life were not prepared to manage their own lives let alone the life of a human in training humans raised deborah but it wasn't a humane childhood this poetry collection is also about how indigenous people survive civilization and become readers and writers of the same alphabet that colonized their culture the complexity of being forced to find her way into relationship with the very people or cultures that have hurt raised miranda is a paradox at the heart of her poetry which pushes language past what miranda calls the alphabet of walls

this book leads readers through a troubled past using the authors family circle as a touch point and resource for discovery of much more personal and strong these stories present an evocative new view of the shaping of california and the role of the mission period in the lives of all california indians the result is a work of literary art that is wise angry and playful all at once

now in paperback and newly expanded this gripping memoir is hailed as essential by the likes of joy harjo leslie marmon silko and elle magazine bad indians part tribal history part lyric and intimate memoir is essential reading for anyone seeking to learn about california indian history past and present widely adopted in classrooms and book clubs throughout the united states bad indians now reissued in significantly expanded form for its 10th anniversary plumbs ancestry survivance and the cultural memory of native california in this best selling now classic memoir deborah a miranda tells stories of her ohlone costanoan esselen family and the experiences of california indians more widely through oral histories newspaper clippings anthropological recordings personal reflections and poems this anniversary edition includes several new poems and essays as well as an extensive afterword totaling more than fifty pages of new material wise indignant and playful all at once bad indians is a beautiful and devastating read and an indispensable book for anyone seeking a more just telling of american history

these poems explore interlocking themes of sacrifice willing and forced and the sacred dimension of nature and the need for spiritual healing in a world suffering from the aftereffects of slavery and genocide as well as homophobia and environmental damage many of the poems describe subjects in the virginia appalachian region as well as the author's indigenous ohlone costanoan esselen california coastal homeland

the zen of la llorona is a second collection of poetry by a native american woman and as such it goes beyond initial concerns with personal racial identity while still very much speaking from an indigenous point of view the zen of la llorona complicates that indigenous identity with visceral explorations of gendered violence sexual orientation and mothering in an unpredictable chaotic world key to these poems are historical and current events traumas as distant as the colonization of california's indigenous peoples and as close as the destructive forces of 9 11 and the wars in iraq and afghanistan how do we survive destruction without becoming destroyers ourselves how can the elements of earth love community and work nurture creation and manifest hope utilizing the figure of la llorona a mythical indigenous figure of the americas who first murders and then mourns her children the poems in this book seek to unravel the mysterious fascination we have with despair and move us along with the poet to a more clarifying centering focus on joy zen the author notes tells us everyone loses everything leaving us with only a decision about our attitude toward loss itself la llorona on the other hand says nonsense there's always something left to lose what that something is and how we can preserve and honor it is at the heart of this collection of poems

discover the essential people works movements and themes in american indian literature american indian literature is a varied and vibrant collection of indigenous artistic expression american indian novelists poets essayists and critics have over the last four centuries asserted powerful forms of intellectual and artistic sovereignty writing in english while building on discrete tribal oral traditions and forms of storytelling this encyclopedia introduces readers to the key historical and contemporary figures in american indian literature and their defining works from the fiery sermons of methodist minister william apess to the pulitzer prize winning novel house made of dawn by n scott momaday to the critically acclaimed and commercially successful novels of louise erdrich this book illustrates the indelible and influential imprint american indians

have on the landscape of american letters readers are also introduced to the key themes and context of american indian literature exploring how it is inextricable from american literary history the american literary canon and the narrative of american history not on the fringes of the american experience but central to it

poetry native american studies winner of the north american native authors first book award deborah miranda s indian cartography provides a psychic and emotional remapping of the native american world of the west coast in lyric verse that is sometimes spare sometimes dramatic miranda charts a homeward journey through the heart s territory a land that has long been torn disrupted and colonized in the harshest sense of that word janice gould the first poem grabbed my wrist and held me for the duration the prose is equally alive and its images have the precision and the edge of the finest poetry seamless back and forth journey from one little girl to another one woman to another one memory to another all distinct yet connected one long scream from a heart who will not stop living whose life is an affirmation of survival wendy rose miranda s poetry and essays have appeared in bricolage calyx calloo the cimarron review raven chronicles and soujourner

what is an american identity the tension between populism and pluralism between homogeneity and heterogeneity has marked the united states since its inception in the divided states leading scholars and critics argue that the us is and has always been a site where multiple national identities intersect in productive and challenging ways scrutinizing conflicting nationalisms and national identities the authors ask whose stories get told and whose do not who or what promotes the idea of a unified national identity in the united states how is the notion of a unified national identity disrupted what myths and stories bind the us together how representative are these stories what are the counternarratives and if the idea of national homogeneity is a fallacy what does tie us together as a nation working across auto biography studies american studies and human geography all of which deal with the current interest in competing narratives alternative facts and accountability the essays engage in and contribute to critical conversations in classrooms scholarship and the public sphere the authors draw from a variety of fields including anthropology class analysis critical race theory diasporic refugee and immigration studies disability studies gender studies graphic and comix studies indigenous studies linguistics literary studies sociology and visual culture and the genres under scrutiny include diary epistolary communication digital narratives

graphic narratives literary narratives medical narratives memoir oral history and testimony this fresh and theoretically engaged volume will be relevant to anyone interested in the multiplicity of voices that make up the us national narrative

reclaiming power and prophecy through california indian intellectual resurgence and anticolonial resistance mark minch de leon explores the anticolonial dimensions of california indian intellectual and cultural resurgence in the aftermath of apocalypse in this compelling reexamination of indigenous art literature and theory centering on a reinterpretation of the ghost dance a ceremony first practiced in the nineteenth century as a collective demonstration of prophecy and resilience indigenous inhumanities envisions an expanded poetics of resistance through a reconfigured relationship to death and the dead by dismantling the colonial frameworks of inclusion recognition and representation that reinforce settler state power minch de leon shows how storytelling can be reclaimed as both research and as a tool for decolonization taking up critical issues that the state has used to discipline california indian relations to ancestors such as the politics of human remains repatriation and the discourse around california indian genocide minch de leon centers indigenous knowledge and social systems while challenging legal and political definitions of violence power and the human rich case studies showcase the evocative art of frank day the poetry of tommy pico and the writings of deborah miranda highlighting how these creators advance indigenous theory and disrupt settler categories by refusing reconciliation and embracing indigenous frameworks of radical relationality and the inhuman what lies outside of human control minch de leon presents a bold vision of indigenous antihumanist survival and resurgence indigenous inhumanities illuminates the path toward decolonial futures by following the radical turn the ancestors made toward the powers of the dead to bring an end to the colonial world retail e book files for this title are screen reader friendly with images accompanied by short alt text and or extended descriptions

unpapered is a collection of personal narratives by indigenous writers exploring the meaning and limits of native american identity beyond its legal margins native heritage is neither simple nor always clearly documented and citizenship is a legal and political matter of sovereign nations determined by such criteria as blood quantum tribal rolls or community involvement those who claim a native cultural identity often have family stories of tenuous ties dating back several generations given that tribal enrollment was part of a string of government programs and agreements calculated to quantify

and dismiss native populations many writers who identify culturally and are recognized as native americans do not hold tribal citizenship with essays by trevino brings plenty deborah miranda steve russell and kimberly wieser among others unpapered charts how current exclusionary tactics began as a response to pretendians non indigenous people assuming a native identity for job benefits and have expanded to an intense patrolling of identity that divides native communities and has resulted in attacks on peoples professional spiritual emotional and physical states an essential addition to native discourse unpapered shows how social and political ideologies have created barriers for native people truthfully claiming identities while simultaneously upholding stereotypes

this handbook brings together philosophical work on how language shapes and is shaped by social and political factors its 24 chapters were written exclusively for this volume by an international team of leading researchers and together they provide a broad expert introduction to the major issues currently under discussion in this area the volume is divided into four parts part i methodological and foundational issues part ii non ideal semantics and pragmatics part iii linguistic harms part iv applications the parts and chapters in each part are introduced in the volume s general introduction a list of works cited concludes each chapter pointing readers to further areas of study the handbook is the first major multi authored reference work in this growing area and essential reading for anyone interested in the nature of language and its relationship to social and political reality

in this edited collection gioia woods and her contributors bring together histories biographies close readings and theories about the literary and cultural left in the american west as it is distinct from the more often theorized literary left in major eastern metropolitan centers left in the west expands our understanding of what constitutes the literary left in the u s by including writers artists and movements not typically considered within the traditional context of the literary left in doing so it provides a new understanding of the region s place among global and political ideologies from the early 19th century to the present a remarkably complex and varied body of literary and cultural production has emerged out of progressive social movements while the literary left in the west shared many interests with other regional expressions labor class anti fascism and anti imperialism the influence of manifest destiny the distinct history of settler colonialism in western territories caused

western leftists to develop concerns unique to the region chapters in the volume provide an impressive range of analysis covering artists and movements from suffragist writers to bohemian californian photographers from civil rights activists to popular folk musicians from latinx memoirists to native american experimental writers to name just a few the unique consideration of the west as a socio political region establishes a framework for political critique that moves beyond class consequences anti fascism and civil liberties and into distinct western concerns such as native american sovereignty environmental exploitation and the legacies of settler colonialism what emerges is a deeper understanding of the region and its unique people places and concerns

presents an encyclopedia of american indian literature in an alphabetical format listing authors and their works

two spirit people identified by many different tribally specific names and standings within their communities have been living loving and creating art since time immemorial it wasn't until the 1970s however that contemporary queer native literature gained any public notice even now only a handful of books address it specifically most notably the 1988 collection *Living the Spirit: A Gay American Indian Anthology* since that book's publication twenty three years ago there has not been another collection published that focuses explicitly on the writing and art of indigenous two spirit and queer people this landmark collection strives to reflect the complexity of identities within native gay lesbian bisexual transgender queer and two spirit glbtq2 communities gathering together the work of established writers and talented new voices this anthology spans genres fiction nonfiction poetry and essay and themes memory history sexuality indigeneity friendship family love and loss and represents a watershed moment in native american and indigenous literatures queer studies and the intersections between the two collaboratively the pieces in *Sovereign Erotics* demonstrate not only the radical diversity among the voices of today's indigenous glbtq2 writers but also the beauty strength and resilience of indigenous glbtq2 people in the twenty first century contributors indira allegria louise esme cruz paula gunn allen qwo li driskill laura furlan janice gould carrie house daniel heath justice maurice kenny michael koby m carmen lane jaynie lara chip livingston luna maia janet mcadams deborah miranda daniel david moses d m o brien malea powell cheryl savageau kim shuck sarah tsigeyu sharp james thomas stevens dan taulapapa mcmullin william raymond taylor joel waters and craig womack
