I Preparing Your PDF for IngramSpark Before uploading your PDF must meet IngramSparks rigorous specifications Failing to adhere to these guidelines can lead to rejection and delays

A File Format and Resolution Format IngramSpark accepts PDFs only No other formats such as Word documents doc docx or EPUBs are allowed

Resolution Aim for a minimum of 300 DPI dots per inch for highquality images and crisp text Lower resolution will result in a blurry unprofessionallooking PDF

Color Mode Use CMYK Cyan Magenta Yellow KeyBlack color mode for professional printing RGB Red Green Blue is intended for screen display and will not translate well to print

B File Size and Compression Size IngramSpark has a maximum file size limit Check their current guidelines before uploading exceeding this limit will result in rejection

Compression Use a PDF compression tool to reduce file size without significantly compromising image quality Tools like Adobe Acrobat Pro offer various compression options Avoid excessive compression that could negatively affect the visual quality

C Formatting and Layout

Margins Maintain consistent and adequate margins at least 05 inches on all sides to prevent text or images from being cut off during printing or digital rendering

2 Font Use professional easily readable fonts like Times New Roman Arial or Garamond Avoid overly stylized or unusual fonts that might not render correctly on all devices

Page Numbers Ensure page numbers are consistently placed and easily visible

Table of Contents Include a properly formatted table of contents for easy navigation

Indexing If relevant to your books content consider adding an index

Example Imagine your book is a complex technical manual with many

illustrations You'll need to pay close attention to the image resolution 300 DPI minimum file size optimization and ensure all diagrams and charts are clear and legible in the PDF

II Creating Your IngramSpark Account and Uploading Your PDF

A Account Creation
