whether you are conducting business traveling for pleasure or even relocating abroad one mistake with customs or etiquette can leave a bad taste in everyone s mouth international travelers now more than ever are not just individuals from the united states but ambassadors and impression makers for the country as a whole newly updated redesigned and resized for maximum shelf appeal for travelers of all ages culture shock country and city guides make up the most complete reference series for customs and etiquette you can find these are not just travel guides these are guides for a way of life

asian populations are among some of the fastest growing cultural groups in the us while books on serving other target groups in libraries have been published e g disabled latino seniors etc few books on serving library users of asian heritage have been written thus the timely need for this book rather than a generalized overview of asians as a whole this book has 24 separate chapters each on 24 specific asian countries cultures of east southeast and south asia with a wealth of resources for understanding interacting with outreaching to and serving library users of each culture resources include cultural guides both print and online language helps with sample library vocabulary asian booksellers nationwide cultural groups professional literature and more resources and suggestions are given for all three types of libraries public

school and academic making this book valuable for all librarians the demographics of each asian culture numbers and distribution plus history of immigration and international student enrollment is also featured as a bonus each chapter spotlights a us public school and academic library providing model outreach to asian library users additionally this book provides a detailed description and analysis of libraries in each of the 24 asian countries the history development facilities conditions technology classification systems and more of public school and academic libraries are all discussed with detailed documentation country conditions influencing libraries and library use are also described literacy levels reading cultures languages and writing systems educational systems and more based on the author s 15 years of research and travels to asia this work is a must have for all librarians

the yearning to remember who we are is not easily detected in the qualitative dimensions of focus groups and ethnographic research methods nor is it easily measured in standard quantified scientific inquiry it is deeply rooted obscured by layer upon layer of human efforts to survive the impact of historical amnesia induced by the dominant policies and practices of advanced capitalism and postmodern culture darder s introduction sets the tone by describing the formation of warriors for gringostroika and the new mestizas in the words of anzaldua those who cross over pass over the confines of the normal critical essays follow by mexicanas poets activists and educators of all colors and persuasions the collection coming out of the good work of the southern california university system relates to all locales and spectrums of the human condition and will no doubt inspire excellent creativity of knowing and remembering among all who chance to read any part thereof

this book investigates the role of cultural heritage as a constitutive dimension of different civilizing missions from the colonial era to the present it includes case studies of the habsburg empire and german colonialism in africa asian case studies of post colonial india and the dutch east indies indonesia china and french indochina and a special discussion on 20th century cambodia and the temples of angkor the themes examined range from architectural and intellectual history to historic preservation and restoration taken together they offer an overview of historical processes spanning two centuries of institutional practices wherein the concept of cultural heritage was appropriated both by political regimes and for unesco world heritage agendas

in this clear comprehensive and unflinching study sucheng chan invites us to follow the saga of cambodian refugees striving to distance themselves from a series of cataclysmic events in their homeland survivors tracks not only the cambodians fight for life lives but also their battle for self definition in new american surroundings unparalleled in scope survivors begins with the cambodians experiences under the brutal khmer rouge regime following them through escape to refugee camps in thailand and finally to the united states where they try to build new lives in the wake of massive trauma their struggle becomes primarily economic as they continue to

negotiate new cultures and deal with rapidly changing gender and intergenerational relations within their own families poverty crime and racial discrimination all have an impact on their experiences in america and each is examined in depth although written as a history this is a thoroughly multidisciplinary study and chan makes use of research from anthropology sociology psychology medicine social work linguistics and education she also captures the perspective of individual cambodians drawing on interviews with more than fifty community leaders a hundred government officials and staff members in volunteer agencies survivors synthesizes the literature on cambodian refugees many of whom come from varying socioeconomic backgrounds a major scholarly achievement survivors is unique in the asian american canon for its memorable presentation of cutting edge research and its interpretation of both sides of the immigration process

do you believe you were born to change the world and do you think its actually possible these are two questions to ask yourself before you even read this book this is because this book is for those whose aim is to make a difference in this world its for those who are unsatisfied with allowing darkness injustice and hopelessness to enslave people and who want to be part of a counter culture attack that brings true freedom now is this book for you i will say this we need you we need as many people as we can get to join a generation that is called to action do you know jesus and are seeking what it means to follow him in a deeper more radical way are you looking for ways to make your faith come alive do you want your life to have meaning have you longed to see gods kingdom come is your soul hungry for more will you be willing to give whatever it takes to see transformation come to you and the people around you in my own reflection to answer all these questions i believe there is a key it is something called holy passion its a holy passion for jesus that fills you and causes movement in ways you have never experienced before embrace a new journey of holy passion in action it will be one you will never forget

everything in this book has come from my own thought processes my observations and is an opportunity for you to see the world through my eyes i really do think this book has the ability to have an astounding impact upon your life this book will challenge you move you inspire you and encourage you to live your best life and to be the best version of yourself this book acknowledges that there is no good without evil and no success without failure and that we are all simply human trying to figure this crazy thing called life out together the last thing i want to say before i let you delve into the chapters that follow is that i honestly hope you can find something that speaks to you within this book i hope it is a book that you leave on your bedside table and whether you are feeling sad lonely unmotivated frustrated or even happy you can pick it up and find a chapter that says exactly what you need to hear
