anthropologist dr bill brockton founded tennessee s world famous body farm a small piece of land where corpses are left to decay in order to gain important forensic information now in the wake of a shocking crime in nearby chattanooga he s called upon by jess carter the rising star of the state s medical examiners to help her unravel a murderous puzzle but after re creating the death scene at the body farm brockton discovers his career reputation and life are in dire jeopardy when a second unexplained corpse appears in the grisly setting accused of a horrific crime transformed overnight from a respected professor to a hated and feared pariah bill brockton will need every ounce of his formidable forensic skills to escape the ingeniously woven net that s tightening around him and to prove the seemingly impossible his own innocence

in his investigation of a suspicious death in which the victim s remains were found in a burned car forensic anthropologist bill brockton engages in an unorthodox experiment to better understand the case

jefferson bass's cut to the bone the long awaited prequel to his new york times bestselling mystery series turns the clock back to reveal the body farm's creation and dr bill brockton's deadly duel with a serial killer in the summer of 1992 arkansas governor bill clinton and tennessee senator albert gore begin their long shot campaign to win the white house in the sweltering hills of knoxville at the university of tennessee dr bill brockton the bright ambitious young head of the anthropology department launches an unusual some would call it macabre research facility unlike any other in existence brockton is determined to revolutionize the study of forensics to help law enforcement better solve crime but his plans are derailed by a chilling murder that leaves the scientist reeling from a sense of déjà vu followed by another and then another bodies that bear eerie resemblances to cases from brockton's past but as the body count rises the victims fatal injuries grow more and more distinctive a spiral of death that holds dark implications for brockton and everyone he holds dear

there is a patch of ground in tennessee dedicated to the science of death where human remains lie exposed to be studied for their secrets the real life scientist who founded the body farm has broken cold cases and revolutionized forensics and now he spins an astonishing tale inspired by his own experiences renowned anthropologist dr bill brockton has spent his career surrounded by death at the body farm now he's being called upon to help solve a baffling puzzle in a remote mountain community the mummified corpse of a young woman dead for thirty years has been discovered in a cave the body bizarrely preserved and transformed by the environment's unique chemistry but brockton's investigation is threatening to open old wounds among an insular people who won't forget or forgive and a long buried secret prematurely exposed could inflame brockton's own guilt and the dangerous hostility of bitter enemies determined to see him fail by any means necessary with fascinating insider information on the body farm

the next instalment from the body farm series sees dr bill brockton caught up in the black market for body parts

the forensic thriller meets a formidable slice of history a riveting mystery with an intricately emotional conclusion washington post bones of betrayal is the fourth heart racing body farm thriller from the world's top forensic anthropologist kathy reichs calls author jefferson bass the real deal and his hero bill brockton has already taken his rightful place alongside patricia cornwell's kay scarpetta and the investigators on tv's c s i in bones of betrayal a hideous murder has links that connect it to world war two's manhattan project and the development of the atomic bomb adding a fascinating historical element that enriches an already superior crime series

in the most suspenseful installment of the new york times bestselling body farm series to date forensic anthropologist dr bill brockton investigates a bizarre murder and confronts a deadly enemy he thought he'd put behind bars for good forensic anthropologist bill brockton has spent twenty five years solving brutal murders but none so bizarre and merciless as his latest case a ravaged set of skeletal remains is found chained to a tree on a remote mountainside as brockton and his assistant miranda dig deeper

they uncover warning signs of a deadly eruption of hatred and violence but the shocking case is only the beginning of brockton's trials mid case the unthinkable happens the deadliest criminal brockton has ever foiled the sadistic serial killer nick satterfield escapes from prison bent on vengeance but simply killing brockton isn't enough satterfield wants to make him suffer first by destroying everything he holds dear brockton's son daughter in law grandsons even miranda his longtime graduate assistant now on the verge of completing her ph.d and launching a forensic career of her own the dangers from all directions force brockton to question two things on which he's based his entire career the justice system and the quality of mercy and to wonder can the two co-exist if not which will brockton choose in his ultimate moment of truth

past present and future collide to throw respected forensic anthropologist bill brockton's successful secure life into devastating turmoil in this poignant novel in the new york times bestselling body farm mystery series it's been ten years since dr bill brockton created the body farm the world's first postmortem research facility dedicated to advancing the frontiers of forensic science and the researcher is at the pinnacle of his career under his leadership the university of tennessee's forensic anthropology program has become the most prominent in the world and brockton's skills and knowledge are in high demand among top law enforcement calling him in for a number of high profile cases the fbi now wants him to identify the charred remains of a maverick millionaire killed in a fiery plane crash but a storm is about to hit brockton with cataclysmic force first his identification of the crash victim is called into question then he receives a threatening message from the serial killer who attempted to murder the scientist and his family a decade ago and from brockton's beloved wife kathleen his lodestone and his source of security he gets the most shocking news of all will brockton be able to weather this deluge or has he finally reached the breaking point

the onset of summer brings steamy weather to east tennessee and the body farm dr bill brockton's human decomposition research facility at the university of tennessee but even brockton is about to get more heat than he's bargained for when a former student asks him to help prove that her sister's death was not suicide but murder brockton's quick consulting trip takes a long harrowing detour to the florida panhandle and the ruins of the north florida boys reformatory a notorious juvenile detention facility that met a fiery end more than forty years ago guided by the discovery of a diary kept by one of the school's young students he finds a cluster of shallow graves all of them containing the bones of boys who met violent deaths as brockton and his team close in on the truth they find skeletons in some surprisingly prominent closets and they learn that the ghosts of the past pose perilous consequences in the present

1 new york times bestseller the gruesome murder of a young girl leads dr kay scarpetta on the hunt for an elusive serial killer in this ingenious washington post book world thriller the body farm is cornwell at her chilling best usa today in development as the original series scarpetta starring nicole kidman and jamie lee curtis eleven year old emily steiner is dead she left a north carolina church

meeting late one october afternoon and strolled along a lakeside path toward her house two miles away who met her on the path who followed her home kidnapped her from her bedroom and left her body by the lake days later it s a puzzling and terrifying crime reminiscent of the work of serial killer temple gault who has long eluded dr kay scarpetta and law enforcement for years into this volatile atmosphere comes scarpetta s ingenious rebellious niece lucy an fbi intern with a promising future in quantico s computer engineering facility until she is accused of a shocking security violation while coming to terms with lucy kay must conduct a grisly forensic investigation at a clandestine research facility in tennessee known as the body farm there she will find more answers to emily steiner s murder and evidence that paints a picture of a crime more horrifying than she ever imagined

new york times bestselling author patricia cornwell brings back kay scarpetta consulting forensic pathologist for the fbi s behavioral science unit in her grittiest and most compelling novel in rural north carolina the brutal murder of eleven year old emily steiner has shaken a small town but more disturbing are the details of the crimes chillingly reminiscent of the handiwork of a serial killer who has eluded the unit for years into this volatile atmosphere comes scarpetta s ingenious rebellious niece lucy an fbi intern with a promising future in quantico s computer engineering facility until she is accused of a shocking security violation while coming to terms with lucy kay must conduct a grisly forensic investigation at a clandestine research facility in tennessee known as the body farm there she will find more answers to emily steiner s murder and evidence that paints a picture of a crime more horrifying than she imagined

miranda lovelady dr bill brockton s protégÉ is spending the summer helping excavate a newly discovered chamber beneath the spectacular palace of the popes in avignon france there she discovers a stone chest inscribed with a stunning claim inside lie the bones of none other than jesus of nazareth faced with a case of unimaginable proportions miranda summons brockton for help both scientists are skeptical after all fake relics abounded during the middle ages but evidence for authenticity looks strong initially and soon grows stronger brockton and miranda link the bones to the haunting image on the shroud of turin revered by millions as the burial cloth of christ and then a laboratory test finds the bones to be 2 000 years old the finding triggers a deadly tug of war between the anthropologists the vatican and a deadly zealot who hopes to use the bones to bring about the second coming and trigger the end of time

dr bill brockton the founder of the world famous body farm is hard at work on a troubling new case a young man s battered body has been found in nearby chattanooga and it s up to the talented dr brockton to assemble the pieces of the forensic puzzle brockton is brought into the case by the rising star of the state s mechanical examiners jess carter just as they re on the verge of breaking the case open events take a terrifying turn brockton has re created the chattanooga death scene at the body farm but a killer tampers with it in a shocking way placing another corpse at the setting confusing authorities and putting brockton s career and life in jeopardy soon brockton himself is accused of the horrific new crime and the once beloved professor becomes an outcast as the net around him

tightens brockton must use all of his forensic skills to prove his own innocence before he ends up behind bars with some of the very killers he's helped to convict flesh and bone is another roller coaster ride into the world of forensic anthropology its twists and turns marked by drama and pathos humor and grief families and friends and enemies with captivatingly real characters plus fascinating scientific insights drawn from the case files of a living forensic legend this astonishing novel confirms jefferson bass as one of our most talented authors of suspense

in the summer of 1990 dr bill brockton a bright ambitious young forensic scientist is hired by the university of tennessee to head and to raise the profile of the school's small anthropology department six months later the ink on his contract barely dry brockton is called to a gruesome crime scene in a rural area to identify a corpse and determine how the woman died but the case one of brockton's first murder investigations in tennessee could also prove to be his last when he runs afoul of both the county sheriff and an angry mob intent on administering their own swift rough brand of justice with his back to the wall brockton is forced to think fast talk faster and hope for a miracle

the body farm describes a sleepy little north carolina town where nothing much happens but then the discovery of an 11 year old's corpse sends shivers through the community from potter's field finds scarpetta's nemesis temple brooks gault back at work summoning all her reserves scarpetta vows to track down the killer

a forensic anthropologist tracks the field's increasing sophistication as reflected by cases throughout his career describing such newer technologies as dna processing and electron microscopy and examining past cases in which new developments proved pivotal

renowned bone detective bill brockton and his intrepid assistant miranda are about to get immersed in murder and intrigue in avignon france home of the popes for most of the fourteenth century but first in this artful prequel to the inquisitor's key other mischief is afoot in the ancient walled city inspector rené descartes of the french national police is roused from a deep sleep to investigate a break in at the petit palais avignon's museum of medieval masterpieces descartes's discovery plunges him into an elaborate art lined labyrinth a labyrinth that leads him to a master forger's studio and to a charred corpse just as he's finally closing the case descartes gets called to an even more bizarre death scene where his path and his fate will collide with those of brockton and miranda

dr bill bass work and in particular his body farm has furthered forensic anthropology and made it possible to prove from the discovery of a skeleton no matter how much time has elapsed since death how and when death occurred and to whom the body belonged his work has been vital for the sake of science and the cause of justice in beyond the body farm jefferson bass details the

most memorable cases from his career including alibis he has broken cold cases he has solved including one from the ancient world that took him to iran and several cases he has been able to revisit throughout his career as new techniques have become possible and scientific discoveries made this is what happens when dr bass goes beyond the body farm

dr bill brockton is hard at work on a troubling new case a young man s battered body has been found in nearby chattanooga and it s up to the talented dr brockton to assemble pieces of the forensic puzzle brockton is brought into the case by the rising star of the state s medical examiners jess carter just as they are on the verge of breaking the case open events take a terrifying turn brockton has recreated the chattanooga death scene at the body farm but a killer tampers with it in a shocking way placing another corpse at the setting putting brockton s career and life in jeopardy soon brockton himself is accused of the horrific new crime and the once beloved professor becomes an outcast as the net around him tightens brockton must use all his forensic skills to prove his own innocence before he ends up behind bars with some of the very killers he s helped to convict
