just give me your last name is a book that was born out of the life of a frustrated single waiting endlessly for love this book takes you through my journey of finding true love in singleness and becoming whole in that process the aim of this book is to give you a different perspective to single life and to help you embrace your single journey as you hope to embrace the marriage journey the book is about finding the silver lining in the seemingly cloud of single life and letting that lining trump the cloud until the gloss of your single life is evident to the world my hope is that as you read this book you will prioritize finding and giving love as a single person instead of waiting for love to find you this book will move you to the front seat of your single life have you switch to cruise mode and soar the length and breadth of singleness in confidence this book will make you laugh get you thinking and ultimately move you to action that will birth the change you always hoped for

once upon a time psychics and healers were revered they held positions of status and authority they were the closest confidants to kings emperors and mighty rulers over the centuries the western world changed psychics and healers moved underground as though their work had become taboo to admit consulting with one was akin to a belief in faeries witchcraft or even aliens today there are different classes of seer some charge 5

a minute giving readings of a dubious nature over the phone the real psychic healer operates by word of mouth often they are booked weeks and months in advance they consult to the most powerful and wealthy they are privy to information that would boggle the mundane mind they hold court between what is seen and what only they can see they are the holders of truth reveling in the mysteries of life and ancient wisdom alex telman is a real psychic healer these are my conversations with him the healer is the must read book of 2016 a storyteller and an internationally renowned psychic healer weave their own personal experiences and discuss all the taboo topics relevant to the modern life the concepts leap from the page and into your mind planting seeds of suggestion invitation and encouragement readers have described the healer as a life changing map that they have been unable to put down the healer not only inspires a new set of eyes for life but also demystifies a number of murky words and concepts along the way think differently

the public outcry for a return to moral education in our schools has raised more dust than it s dispelled building upon his provocative ideas in on becoming responsible michael pritchard clears the air with a sensible plan for promoting our children s moral education through the teaching of reasonableness pritchard contends that children have a definite but frequently untapped capacity for reasonableness and that schools in a democratic society must make the nurturing of that capacity one of their primary aims as

fundamental to learning as the development of reading writing and math skills reasonableness itself he shows can be best cultivated through the practice of philosophical inquiry within a classroom community in such an environment children learn to work together to listen to one another to build on one another s ideas to probe assumptions and different perspectives and ultimately to think for themselves advocating approaches to moral education that avoid mindless indoctrination and timid relativism pritchard neither preaches nor hides behind abstractions he makes liberal use of actual classroom dialogues to illustrate children s remarkable capacity to engage in reasonable conversation about moral concepts involving fairness cheating loyalty truthtelling lying making and keeping promises obedience character and responsibility he also links such discussions to fundamental concerns over law and moral authority the roles of teachers and parents and the relationship between church and state pritchard draws broadly and deeply from the fields of philosophy and psychology as well as from his own extensive personal experience working with children and teachers the result is a rich and insightful work that provides real hope for the future of our children and their moral education

is it possible that nearly 3 500 years ago moses was given the secret for attracting everything you ve ever desired the moses code was first used to create some of the greatest miracles in the history of the world but then it was hidden away and only the highest initiates were allowed to practice it in this book james f twyman reveals the code for the first time showing how it can be used to create miracles in your life and in the world by practicing the principles presented within these pages you ll discover how you can integrate the most powerful manifestation tool in the history of the world into your own life at the very heart of the moses code is the true function and practice of the law of attraction you may have been told that this law is all about getting the things you want things that you think will make your life more satisfying but what if that s just the first step and cracking the moses code depends more on what you re willing to give rather than get that would mean that you have the power to create miracles in your life right now it would also mean that you have the ability even the responsibility to use that power for more than just attracting money a better car or the perfect relationship you re here to use the power of divinity itself to create a world based on the laws of compassion and peace that s the task that lies before us

this book is meant to be a pleasure for all to read it is meant to be a help for both people with cognitive difficulties and their caregivers there may be useful ideas to caregivers the people with impairments will finally have something they can readily understand the pictures or social stories the poetry may or may not make sense the ideas are brought forth in a way as to give understanding to the social aspect behind the words the author is trying to give back to the world for all the help she has received in this area
