the fourth volume of the collected papers of the icla congress the many languages of comparative literature includes articles that study thematic and formal elements of literary texts although the question of prioritizing either the level of content or that of form has often provoked controversies most contributions here treat them as internally connected while theoretical considerations inform many of the readings the main interest of most articles can be described as rhetorical in the widest sense given that the ancient discipline of rhetoric did not only include the study of rhetorical figures and tropes such as metaphor irony or satire but also that of topoi which were originally viewed as the places where certain arguments could be found but later came to represent the arguments or intellectual themes themselves another feature shared by most of the articles is the tendency of undeclared thematology which not only reflects the persistence of the charge of positivism but also shows that most scholars prefer to locate themselves within more specific often interdisciplinary fields of literary study in this sense this volume does not only prove the ongoing relevance of traditional fields such as rhetoric and thematology but provides contributions to currently flourishing research areas among them literary multilingualism literature and emotions and ecocriticism

histoire d'une jeunesse restitue le temps perdu des souvenirs d'enfance entre 1905 et 1921 le récit de cette éducation traverse l'Europe centrale du début du siècle insouciant et joyeux avec ses hôtels luxueux ses collèges cosmopolites ses milieux de riches commerçants avant que l'Occident ne s'éteigne soudain dans les déflagrations de la guerre de 14 avec tendresse gravité et humour canetti fidèle à la mémoire des premières images de sa vie évoque les années lointaines passées au bord du Danube lorsqu'il entendait la plainte des loups affamés c'était un temps sans peur un temps heureux celui de l'innocence

les actes de racisme et d'intolérance à l'encontre des minorités continuent de progresser en Europe rendant plus que jamais nécessaire un travail de fond interculturel dès les petites classes d'âge l'utilité de ce kit pédagogique tient à la variété et à la créativité des méthodes auxquelles il fait appel les jeux de rôle les exercices de simulation les études de cas et le travail en groupe qu'il propose pourront être une source d'inspiration pour les formateurs enseignants et travailleurs sociaux
