this highly amusing and unorthodox travel book resulted from a light hearted summer journey by the young poets auden and macneice in 1936 their letters home in verse and prose are full of private jokes and irreverent comments about people politics literature and ideas letters from iceland is one of the most entertaining books in modern literature from auden s letter to lord byron and macneice s eclogue to the mischief and fun of their joint last will and testament the book is impossible to resist a 1930s classic

this anthology investigates books that juxtapose photographs and written language photo texts considering a variety of examples from america britain canada and france ranging from nathaniel hawthorne s the marble faun to michael ondaatje s postmodern novel coming through slaughter and edward said s postdocumentary after the last sky the contributors analyses address photo

textuality's implications for representation and its cultural contexts a truly interdisciplinary collection photo textualities features contributors who work in literary studies english romance languages as well as contributors who work in media studies film graphic arts photo textualities invigorates critical inquiry with its range of literary and photographic genres including photo texts that elude genre classification besides documentary and biography nonfiction literary genres include autobiography and travelogue the range of photographic genres extends to landscapes portraiture documentary tourist snapshots and media images as well as to the standard photo textual forms of published album and photo essay book jacket title summary field provided by blackwell north america inc all rights reserved

w g collingwood was an artist author antiquarian and notable scholar of norse history literature and language for 12 weeks in 1897 he sailed to iceland and travelled by pony round the saga sites of iceland with his friend jon stefansson and icelandic scholar he wrote long detailed and entertaining letters home to his wife and children about their adventures and experiences while incredibly making some 300 sketches and watercolours this book brings together his letters drawings paintings and photos

w h auden's life and work were perhaps best explained and condensed in the words of edward mendelson auden's literary executor when he remarked auden grew up in a household in which the scientific inquiries of his father maintained an uneasy truce with the ritualized religion of his mother indeed science and religion were dominant themes in auden's life and work which for him were oftentimes one and the same auden was hailed as the new t s eliot and as the coming man greatly influencing the future generations of angry young men with his thoughts on science religion and the relationship between the two this book is an exhaustive reference to w h auden those new to auden and his writing will find the work a comprehensive introduction while auden scholars will appreciate the quick access it offers to the details of all his poems plays libretti and other pieces of writing it also includes entries on the people who were closest and most important to auden including fellow writers christopher isherwood stephen spender c day lewis edward upward and t s eliot as well as significant events in his life such as his arrival in america his vision of agape and his search in science and religion for answers to the deep questions of life and existence
