in lioness arising in 8 video sessions on 3 dvds and on 4 cds lisa bevere offers the life and image of the lioness as a fierce and tender model for women to wake up rise up and change the world

a passionate call for christian women to effectively wield the sword of their god given feminine strength against any evil that threatens them and those they love what if you discovered you have been entrusted with an invisible invincible and incorruptible weapon would you use it in a day of worldwide trafficking gendercide discrimination and other hostility against women lisa bevere points to a biblical foundation to present a model of feminine strength that will empower women to live confidently drawing on the many references to swords throughout scripture the author constructs a revealing and compelling female paradigm that will impact every area of a woman s self identity spiritual awareness relationships and life vision and mission long known for her passionate and articulate expression of biblical womanhood bevere presents fresh imagery as enticing and strong as polished steel

to prepare women boldly for the challenges they face in today's world it's not enough to just be wise and strong now a woman must know how to wield her sword creatively forging the imagery of swords the word of god and the cross girls with swords will teach you how to speak the language of heaven on earth what it means to intercede what it means to carry your cross what it means to be discerning how to disarm the enemy why women are the enemy's target and why god needs them to be heroes it's time to take up your sword and be a hero

this handbook uses first person narratives from a diverse array of leading scholars to capture the complexity of qualitative research in emerging markets it showcases the value of interdisciplinary research in under theorised contexts and provides actionable guidelines for established and emerging scholars in the field

electronic publications are proving to be a popular resource for many consumers it is imperative that the credibility of vendor supplied usage data is analyzed in order to present the most accurate non biased information on these up and coming products measuring the validity of usage reports provided by e book vendors emerging research and opportunities is a pivotal scholarly source that examines the current practices and trends in usage reporting and offers recommendations for further refinement of this system featuring pertinent topics including counter standardization usage data data consolidation and report formatting this publication is an ideal resource for academicians students and researchers that are interested in the latest evaluations in vendor submitted usage reports
