as a youth the author who had two jewish grandparents was defined as a jew by vichy france his parents however refused to register the family as jews in march 1944 corcos and his brother fled to spain and joined the allied forces in north africa states that antisemites consider jewishness to be inherited and to embody inferior evil traits this view is based on two false biological premises that there are pure races of humans and that some races are superior to others rejects these premises by considering modern biology and jewish history the latter indicates that the jews cannot be a race due to their lack of sexual isolation diversity among jews is a result of both intermarriage and proselytism sees the spanish limpieza de sangre statutes and the inquisition as precursors of nazi racism observes that sometimes jews have joined antisemites in accepting biological determinism intermarriage in countries such as china india and the usa has led to considerable biological diversity among jews and to the reduction of diversity between jews and non jews if such diversity existed at all stresses that if antisemites have worried about

contamination of their race by the jews they have already missed the boat since jews have mixed with non jews for many centuries

in this carefully researched analysis raphael and jennifer patai begin by defining race they then develop the idea of the existence of races through history in rich and fascinating detail the authors consider the effects of intermarriage interbreeding proselytism slavery and concubinage on the jewish population from biblical times to the present new material explores the psychological aspects of the jewish race issue the jewish psyche and the consequences of the 1975 united nations resolution equating zionism with racism a revised and updated scientific section on the measurable genetic morphological and behavioral differences between jews and non jews supports the conclusion that the idea of a jewish race is indeed a myth

explores the origins traditions challenges and joy of diverse jews in america

and finally it tells how the remnants the embers of european jewry came to fuel not only the birth of israel but a second diaspora as well sending jews to all parts of the globe

a historical tour de force the invention of the jewish people offers a groundbreaking account of jewish and israeli history exploding the myth that there was a forced jewish exile in the first century at the hands of the romans israeli historian shlomo sand argues that most modern jews descend from converts whose native lands were scattered across the middle east and eastern europe in this iconoclastic work which spent nineteen weeks on the israeli bestseller list and won the coveted aujourd'hui award in france sand provides the intellectual foundations for a new vision of israel's future
