and immediately i was in the spirit and behold a throne was set in heaven and one sat on the throne revelations 4:2 the life a believer ought to be a supernatural one we have been born into a heavenly or spiritual realm and thus should be able to interact with that realm and access the fullness of its powers and glory in other words the believer should not be disadvantaged in any way as we have the ability to fully function in and from the realm of the spirit where everything that manifest in the physical realm is determined also just like the fictional superman a believer should be able to by pass time and space and be transported into different parts of the world and into different realms by the spirit the scriptures clearly show us this but sadly this is not the reality as some believers are limited and manipulated by satan and his cohorts where they are supposed to reign this is largely because they do not understand the realms of the spirit how to function in it and the limitless possibilities when one lives or functions from that realm this satan and his demons understand thus satan will do anything to stop the believer from attaining full spiritual faculty functionality i want you to know that there are limitless possibilities to a believer who understands the realm of the spirit however full functionality in the spirit requires the believer to develop the habit of being in the spirit in other words the believer has to learn how to enter stay or spend more time in the spirit this is what the holy spirit will have me reveal to you in this book i

will share with you the necessity of being in the spirit the different levels and dimensions of being in the spirit and the effects of being in the spirit i will also share with you some amazing experiences i have had in the realms of the spirit just like john in the scripture shared above i have been transported in the spirit countless times to see hear interact and experience life in that realm and i am so excited to be able to share these experiences with you in this book one thing is for sure this revelation will change your life if you will give yourself to reading and deeply meditating on it by the spirit

dynamic never before published work on the holy spirit from a w tozer what does it mean to have the holy spirit in our lives many look to extraordinary experiences and manifestations as evidence of the spirit but what happens when the event is over how can we experience the holy spirit in the ordinary everyday world how can we be filled with the spirit in this material taken from tozer s sermons he answers these questions and explores life in the spirit from a balanced perspective the church needs the gifts of the spirit all of them or it will never be what god intends it to be but this has to happen in wisdom and humility many people talk about being filled with the holy spirit but very few accept the conditions for being filled tozer lays down requirements for the holy spirit to come into our lives and transform us into spirit filled people though every christian has the holy spirit not every christian is filled with the holy spirit he explains the difference and how it could change the evangelical church of today

the traditional venues for making sense of the complicated apostle paul are history and theology indeed one cannot understand him apart from either however something is still missing from our portrait of paul rather than thinking of paul as a theologian and an apostle leslie hardin argues there is great benefit in approaching him as a disciple a spirit filled man who wanted to pass vibrant spirituality on to those he encountered in the spirituality of paul hardin uncovers the things paul practiced in his own life and those he taught his followers in order to attempt to live an

authentic spirit filled christian life hardin points out that in order to foster the power of the spirit paul like each of us had to dedicate himself to everyday routines and practices what were those spiritual disciplines how did they help him and how might they be applied in our modern lives to bring us closer to christ whether a general reader or mature believer the reader of this book will find paul to be a true brother a fellow sinner receiving grace
