playing better golf without practicing isn t that every golfers dream does that sound too good to be true it is not what people fail to realize is that golf is played as much with the mind as it is with the body having more fun and being better at playing golf in large part requires an improvement in how a person uses thier brain and chooses to think while playing golf unfortunately golfers have for the most part ignored use of their brain as a way to improve their games and to increase their enjoyment of golf for most golfers improvement means purchasing the latest greatest golf club or trying out a tip they read in a golf magazine or watched on television despite using technologically advanced golf clubs and balls and improving their swing technique many golfers do not seem to be lowering their scores the concepts explained in this book are simple extremely effective easy to apply and are the same ones that the best players in the world are using professional golfers have come to realize that at the pga tour level everyone has terrific physical skills the difference

between the players and the good players are the mental skills most golfers do not have the physical talent to be able to hit the ball like tiger woods or annika soerenstam but everyone absolutely positively has the mental capacity to learn how to think like them every golfer can benefit by learning more about how to think properly while playing golf i believe that golfers have a huge untapped potential that is just waiting to be unlocked apply the simply common sense techniques explained in this book and you too can have more fun and play better golf

in this book you will not find secret moves to a great golf swing or numerous golf swing theories but instead easy to understand simple and practical advice that will lead to better golf golf is an art form not a science it is not necessary to have a good looking swing to play better golf develop good basics know how and what to practice and do it your way you can talk to a fade but a hook won't listen the quickest way to improve your game is to spend most of your practice time inside 100 yards

simple steps to better golf book two is the second book in a series that covers the most effective information according to the feedback that i have received from the readers of my website golfhabits.com over the years if you haven't already read it you can find the first book simple steps to better golf book one here ianhardiebooks.com when i went through the over 400 articles at time of writing that were in the archives of the golf habits website i noticed something interesting when i began to look at the viewing statistics virtually every one of the articles that ranked highly in terms of views were about things that i would have expected all golfers should already have known about i thought about that fact for a few days and finally figured out what was going on most golfers around the world either don't know enough about or are never told a bunch of stuff that they really need to know about golf for a variety of reasons when they start playing the game they get the standard this is a driver hold it like this swing it a bit like this and hit it that way introduction that most golfers get on the first tee of a golf course and then they are expected to just pick all the rest up as they go along very little other information is ever offered to most golfers and even less is sought out sure most golfers can tell you about what's happening with the leaders on the pga lpga european tour at the moment but the vast majority don't really how to adjust some simple parts of their game to play well if it starts raining during their game i know which bit of information i think is of more use to the average golfer how about the fact that the vast majority of golfers play the game while wearing a golf glove two for some but if you asked them why that is not many actually know how that benefits their golf game as you are about to find out there are a bunch more things that you probably don't know about golf that can really improve your game
