this eleventh edition was developed during the encyclopaedia s transition from a british to an american publication some of its articles were written by the best known scholars of the time and it is considered to be a landmark encyclopaedia for scholarship and literary style

this innovative volume demonstrates how and to what ends the writings of xiong shili ma yifu tang junyi and mou zongsan adopted and repurposed conceptual models derived from the buddhist text treatise on awakening mahāyāna faith it shows which of the philosophical positions defended by these new confucian philosophers were developed and sustained through engagement with the critical challenges advanced by scholars who attacked the treatise it also examines the extent to which twentieth century new confucians were aware of their intellectual debt to the treatise and explains how they reconciled this awareness with their confucian identity

american national trade bibliography

the last great work of the age of reason the final instance when all human knowledge could be presented with a single point of view unabashed optimism and unabashed racism pervades many entries in the 11th and provide its defining characteristics despite its occasional ugliness the reputation of the 11th persists today because of the staggering depth of knowledge contained with its volumes it is especially strong in its biographical entries these delve deeply into the history of men and women prominent in their eras who have since been largely forgotten except by the
