within a book widely touted as the path to peace violence has incongruously been central to the bible and how it is used this collection book examines the manifestations of violence in scripture and the ways that scripture itself whether violent in content or not can be used to justify violence and aggression in specific social circumstances today the book is divided into two parts the first half explores some incidents of biblical violence that rather than appearing at the forefront of the narrative reflect that ancient jewish culture including the early christian movement recorded in the new testament treats violence as an undeniable fact of the social world in which biblical figures live in these essays psychological theory and interpretation focus on the effect of this culture of violence in the behavior expectations and failures of biblical figures in order to re evaluate the messages of these texts in light of their accepted but largely unacknowledged aggression the second half uses psychological models to understand how biblical doctrine and ideals shape the world in which we live and introduce patterns of aggression and acceptance of violence into family cultural and political situations altogether this collection of essays seeks to shed light on how the bible relates to violence and how many people relate to violence consciously or not through the stories and dynamics

this timely publication explains the duties and responsibilities of the ministry of justice created in 2007

a complete overview and introduction to all aspects of the uk criminal justice system written by two leading experts and as

used across the uk an ideal accessible and readable account and a longstanding flagship work for the waterside press introductory series of books on criminal justice and penal affairs

these essays examine the europeanization of the political system of the federal republic of germany across the polity politics and public policy dimensions the book s 17 chapters focus on three key themes the challenge to the power of germany to determine the course of the integrationist project and to shape european public policies the increasing constraints in the domestic political arena associated with europeanization and domestic contestation over both the constitutive politics of the eu and specific policy choices this volume is essential reading for students of comparative european politics and german studies

over the last quarter of a century a new system of global criminal justice has emerged but how successful has it been are we witnessing a new era of cosmopolitan justice or are the old principles of victors justice still in play in this book daniele archibugi and alice pease offer a vibrant and thoughtful analysis of the successes and shortcomings of the global justice system from 1945 to the present day part i traces the evolution of this system and the cosmopolitan vision enshrined within it part ii looks at how it has worked in practice focusing on the trials of some of the world s most notorious war criminals including augusto pinochet slobodan milošević radovan karadžić saddam hussein and omar al bashir to assess the efficacy of the new dynamics of international punishment and the extent to which they can operate independently without the interference of powerful governments and their representatives looking to the future part iii asks how the system s failings can be addressed what actions are required for cosmopolitan values to become increasingly embedded in the global justice system in years to come
