Positive parenting for those important teen years. Adolescence is often a time of great stress and turmoil, not only for kids going through it, but for you, their parents, as well. This revised edition of *Positive Discipline for Teenagers* shows you how to break the destructive cycle of guilt and blame and work toward greater understanding and communication with your adolescents. Inside you'll find out how to encourage your teen and yourself to grow, to understand how your teen still needs you but in different ways, learn how to get to know who your teen really is, discover how to develop sound judgment without being judgmental, learn how to use follow-through, the only surefire way to get chores done.
