in his last major work written before his passing in 2021 eminent philosopher charles w mills offers a searing critique of liberal political ideology through incisive pragmatic analyses mills and his intellectual respondents highlight liberalism s failure to address global white supremacy emphasizing its faults limitations and inadequacies the volume includes an introduction by its editor prominent political philosopher elizabeth anderson

narrating war and peace in africa interrogates conventional representations of africa and african culture mainly in the twentieth and early twenty first centuries with an emphasis on portrayals of conflict and peace while africa has experienced political and social turbulence throughout its

history more recent conflicts seem to reinforce the myth of barbarism across the continent in nigeria rwanda somalia sierra leone uganda kenya mozambique chad south africa zimbabwe and sudan the essays in this volume address reductive and stereotypical assumptions of postcolonial violence as tribal in nature and offer instead various perspectives across disciplinary boundaries that foster a less fetishized more contextualized understanding of african war peace and memory through their geographical historical and cultural scope and diversity the chapters in narrating war and peace in africa aim to challenge negative stereotypes that abound in relation to africa in general and to its wars and conflicts in particular encouraging a shift to more balanced and nuanced representations of the continent and its political and social climates contributors ann albuyeh zermarie deacon alicia c decker aména moïnfar kayode omoniyi ogunfolabi sabrina parent susan rasmussen michael sharp cheryl sterling hetty ter haar melissa tully pamel wadende metasebia woldemariam jonathan zilberg toyin falola is the jacob and frances sanger mossiker chair in the humanities and university distinguished teaching professor at the university of texas at austin hetty ter haar is an independent researcher in england

cruising the library offers a highly innovative analysis of the history of sexuality and categories of sexual perversion through a critical examination of the library of congress and its cataloging practices taking the publication of eve kosofsky sedgwick s epistemologies of the closet as emblematic of the library s inability to account for sexual difference melissa adler embarks upon a detailed critique of how cataloging systems have delimited and proscribed expressions of gender sexuality ethnicity and race in a manner that mirrors psychiatric and sociological attempts to pathologize non normative sexual practices and civil subjects taking up a parallel analysis adler utilizes roderick a ferguson s aberrations in black as another example of how the library of congress fails to account for and thereby buries difference she examines the physical space of the library as one that encourages forms of governmentality as theorized by michel foucault while also allowing for its utopian possibilities finally she offers a brief but highly illuminating history of the delta collection likely established before the turn of the twentieth century and active until its gradual dissolution in the 1960s the delta collection was a secret archive within the library of congress that housed materials confiscated by the united states post office and other federal agencies these were materials deemed too obscene for public dissemination or general access adler reveals how the delta collection was used to regulate difference and squelch dissent in the mccarthy era while also linking it to evolving understandings of so called perversion in the scientific study of sexual difference sophisticated engrossing and highly readable cruising the library provides us with a critical understanding of library science an alternative view of discourses around the history of sexuality and an analysis of the relationship between governmentality and the cataloging of research and information as well as categories of difference in american culture

what considerations do you need to take into account when planning an agreement what writing techniques will ensure that your contract is suited to your needs what provisions should you include in such a contract michala meiselles answers these questio

terrorism has long been a major shaping force in the world however the meanings of terrorism as a word and as a set of actions are intensely contested this volume explores how literature has dealt with terrorism from the renaissance to today inviting the reader to make connections between older instances of terrorism and contemporary ones and to see how the various literary treatments of terrorism draw on each other the essays demonstrate that the debates around terrorism only give the fictive imagination more room and that fiction has a great deal to offer in terms of both understanding terrorism and our responses to it written by historians and literary critics the essays provide essential knowledge to understand terrorism in its full complexity as befitting a global problem this book brings together a truly international group of scholars with representatives from america scotland canada new zealand italy israel and other countries

everyone eats but rarely do we ask why or investigate why we eat what we eat why do we love spices sweets coffee how did rice become such a staple food throughout so much of eastern asia everyone eats examines the social and cultural reasons for our food choices and provides an explanation of the nutritional reasons for why humans eat resulting in a unique cultural and biological approach to the topic e n anderson explains the economics of food in the globalization era food s relationship to religion medicine and ethnicity as well as offers suggestions on how to end hunger starvation and malnutrition everyone eats feeds our need to understand human ecology by explaining the ways that cultures and political systems structure the edible environment

homes in crisis capitalism explores the core social reproduction role that individual households fulfil in our societies and the class and racial effects of this on gender inequality and discrimination women now make up nearly half of the paid workforce globally yet prevailing neoliberal social policy continues to rule out adequate state provision of child and elder care choosing instead to rely on marketized services to fill the gap it is mainly women who carry out this little valued care work either in a non paid or paid capacity and gender inequality is entrenched across society official gender parity policies often expressed in terms of equality of opportunity have done little to ease the double burden of domestic and care work for the vast majority of women competitive labour markets discriminate against those expected to be the primary caregivers of children the sick and disabled and older people in addition the presence across many societies of an acute housing crisis and soaring inflation have put added pressures on home life a social reproduction crisis has developed and it is working class women and women of colour who are paying the price holborow analyses homes in crisis capitalism through a marxist lens of capitalist social reproduction this book charts the interwoven social and political effects and outcomes of work and care provided in the home and makes the case for a radical break with capitalism to give social reproduction the material resources and social recognition it deserves
