john updike is one of the most seminal american writers of the 20th century and one of the most prolific as well in addition to his best selling novels he has written numerous poems short stories reviews and essays his writing consistently reveals stylistic brilliance and through his engagement with america s moral and spiritual problems his works chronicle america s hopes and dreams failures and disappointments though he is an enormously popular writer the complexity and elegance of his works have elicited growing scholarly attention through several hundred alphabetically arranged entries this book provides both casual and serious readers an exceptional guide to his life and writings whether the reader is seeking a novel summary an authoritative analysis of subjects elucidation of an allusion or a point about updike s life or manner of composition the encyclopedia is indispensable a chronology summarizes the major events in updike s career while an introductory essay examines his progress as a writer from his crafted light verse and informed reviews to his innovative novels and stories the entries that follow summarize updike s books describe all major characters explain allusions identify major images and symbols analyze principal subjects discuss his life and career and draw on the most significant scholarship entries include bibliographies and the volume closes with a list of works for further reading

this book focuses on composition the art and craft of writing it presents works of literature in various forms as examples and products of that writing and through the writing and reading opportunities provided it encourages the exploration of human experience in other words this textbook emphasizes the interrelatedness of writing literature and life the book is arranged according to the stages of life childhood adolescence adulthood old age and death chap 1

the author of couples the coup and rabbit run has drawn an increasingly wide readership

over the past twenty years and major critical attention as well why are the updike protagonists torn with such hopeless intensity between their physical desires and their spiritual yearnings why so they attempt repeatedly and in vain to give religious meaning to the sexual act these are some of the questions addressed in this new study each of updike s ten novels is scrutinized with a discerning critical eye and a separate chapter explores the notable short stories so frequently anthologized updike s unique style which makes all of his fiction especially memorable receives full attention but the major focus here is on his overriding themes of love and anguish lust and penance updike is acutely aware of the moral and spiritual vacuum in contemporary american life he sees the need for transcendent religious experience for which his characters grope unhappily a society that increasingly restricts marital and family commitments diminishes or destroys such a possibility readers who respond to the impressive updike fictional style will find this attractive study an excellent companion to one of our major writers jacket
