in the descent of alette alice notley presents a feminist epic a bold journey into the deeper realms alette the narrator finds herself underground deep beneath the city where spirits and people ride endlessly on subways not allowed to live in the world above traveling deeper and deeper she is on a journey of continual transformation encountering a series of figures and undergoing fragmentations and metamorphoses as she seeks to confront the tyrant and heal the world using a new measure with rhythmic units indicated by quotation marks notley has created a spoken text a rich and mesmerizing work of imagination mystery and power

a pulitzer prize finalist winner of the los angeles time book prize alice notley vividly reconstructs the mysteries longings and emotions of her past in this brilliant collection of poems that charts her growth from young girl to young woman to accomplished artist in this volume memories of her childhood in the california desert spring to life through evocative renderings of the american landscape circa 1950 likewise her coming of age as a poet in the turbulent sixties is evoked through the era s angry creative energy as she looks backward with the perspective that time and age allows notley ably captures the immediacy of youth s passion while offering her own dry eyed interpretations of the events of a life lived close to the bone like the colorful collages she assembles from paper and other found materials notley erects structures of image and feeling to house the memories that swirl around her in the present in their feverish intelligent renderings of moments both precise and ephemeral notley s poems manage to mirror and transcend the times they evoke her profound tributes to the stages of her life and to the identities she has assumed child youth lover poet wife mother friend and widow are remarkable for their insight and wisdom and for the courage of their unblinking gaze

against the busy background of the information age and the anthropocene where s poetry it might seem invisible irrelevant but demonstrategy proves it as salient as ever and more urgent in paired essays about poetry in the world and the world in poetry demonstrategy finds poetry s pulse steady and strong

one of the globe and mail s most anticipated books of 2024 a career spanning collection of inspiring revelrous essays about art and artists like love is a momentous raucous collection of essays drawn from twenty years of maggie nelson s brilliant work these profiles reviews remembrances tributes and critical essays as well as several conversations with friends and idols bring to life nelson s passion for dialogue and dissent the range of subjects is wide from prince to carolee schneemann to matthew barney to lhasa de sela to kara walker but certain themes recur intergenerational exchange love and friendship feminist and queer issues especially as they shift over time subversion transgression and perversity the roles of the critic and of language in relation to visual and performance arts forces that

feed or impede certain bodies and creators and the fruits and follies of a life spent devoted to making arranged chronologically like love shows the writing thinking feeling reading looking and conversing that occupied nelson while writing iconic books such as *bluets* and *the argonauts* as such it is a portrait of a time an anarchic party rich with wild guests a window into nelson's own development and a testament to the profound sustenance offered by art and artists

presents an alphabetical reference guide detailing the lives and works of poets associated with the new york schools of the early twentieth century

sometimes the word lyric seems to appear everywhere either it's used interchangeably with the word poetry or it attaches to descriptions of literature art film and even ordinary objects in order to capture some quality of aesthetic appeal or value or meaning this book is not yet another attempt to define the lyric but instead to dig into what the word might be standing in for this book shows how lyric's taxonomical slipperiness its ideological baggage its historical misconstruals and debates whether it ought to be considered a genre a mode a style a structure of address a remnant of classicism or romanticism or modernism or something else mobilize its specialness its exemplarity its distinct power and its frequent circulation especially in poetry and poetics this book argues that long poems in particular that take up lyric the genre that they have supposedly rejected do so in order to reimagine the shape of the speaking subject this book asks what does lyric mean and why should it matter to poets and readers is it a meaningful term a useful term is it somehow more meaningful or useful than the other kinds of words that animate and describe poetry is it maybe more important to consider the way the term is used the work it does this book reads lyric as the site at which poets reimagine identity or exchange innovation for limiting tropes of the subject or to do both of these things within a single work or to do something else entirely with the putative links between expression presence and subjectivity this book does not offer a single fixed definition of lyric because it is interested more in the ways lyric is imagined within the texts themselves this book is also interested in undoing some of the habits of thought that recur throughout the discourse of genre by reimagining

formalism

publisher description

the hero's descent into the underworld is not only one of the oldest stories in western literature it is also one of the most often retold why do so many modern poets british and american black and white male and female from the metropole and from the margins stage underworld descents in their works through a series of contextualized close readings this study traces the cultural work performed by modern deployments of the classical narrative while some poets engage their literary forebears to exorcise anxiety and others use hell to sharpen their cultural critique most recent poets including james merrill derek walcott tony harrison and seamus heaney have found the underworld descent to be a useful framework for addressing the claims of history and politics

gathering together work by leading teachers and researchers in the field this book explores a rapidly growing area of the curriculum holocaust literature and film it addresses demanding seminar room and institutional practicalities as well as exploring a range of conceptual and theoretical issues and problems

a collection of critical pieces by acclaimed poet alice notley author of mysteries of small houses and disobedience

an introduction to american poets poetry and literary movements from colonial times to the 21st century
