gold medallion award winning study of christ s life as recorded in the gospels newly updated in 2009 from the original 1997 work

this book offers an ideal introduction to the gospels and explains why it is

that scholars and lay people have such different understandings of the person of Jesus the first half of the book looks at the main sources for the life of Jesus principally the gospels of Matthew Mark Luke and John but also the so called apocryphal gospels the second half of the book begins with an examination of the criteria employed by scholars to determine the earliest and most reliable forms of the tradition the third edition interacts with developments in modern scholarship particularly the advance of memory studies with study questions at the end of each chapter updated reading lists and a new chapter bringing scholarship up to date the third edition of this classic text will provide a perfect companion for students coming to grips with academic study of Jesus and the gospels

an introduction to the gospels is designed to be a textbook for courses on the gospels for use at the college and beginning seminary level reflecting the most recent scholarship and written in an accessible style the volume covers all four of the gospels including a survey of the world of the gospels the book opens with a discussion of the origin development and interrelationships of the four gospels after a chapter length treatment of each canonical gospel and the non canonical gospels the work concludes with a discussion of the historical Jesus debate in an introduction to the gospels Mitchell G. Reddish provides a solid convenient survey of the gospels in an accessible textbook format presents up to date scholarship in a field that has been dominated by older texts gives a balanced presentation of the content of the gospels

leading students through the texts highlighting the various literary devices and themes and pointing out the historical and cultural contexts an introduction to the gospels and Acts is a fruitful collaboration between a mainline scholar Puskas and a more evangelical scholar Crump who clearly articulate their own opinions while charitably engaging a wide spectrum of scholarship the coverage of the gospels and Acts throughout is clear comprehensive and well documented maps charts outlines and tables round out the wealth of information offered here publisher

this compact theological primer from a widely respected scholar offers a well integrated and illuminating approach to a variety of basic issues in the study of the New Testament provided by publisher

for the evangelists and for Paul the gospel is both narrative and proclamation

this textbook on how to read the gospels well can stand on its own as a guide to reading this New Testament genre as scripture it is also ideally

suited to serve as a supplemental text to more conventional textbooks that discuss each gospel systematically most textbooks tend to introduce students to historical critical concerns but may be less adequate for showing how the gospel narratives read as scripture within the canonical framework of the entire new testament and the whole bible yield material for theological reflection and moral edification pennington neither dismisses nor duplicates the results of current historical critical work on the gospels as historical sources rather he offers critically aware and hermeneutically intelligent instruction in reading the gospels in order to hear their witness to christ in a way that supports christian application and proclamation

in this collection of essays presented at a scholarly symposium held in 1982 in tubingen germany new testament exegetes and church historians from several countries uncover lines of convergence in the study of the historical sources and traditions behind the four canonical gospels

csb harmony of the gospels is a synchronized reading of the gospels based on the work of john a broadus and a t robertson with each gospel writer s account of events side by side in addition to the harmonious layout articles and commentary notes are included to provide deeper understanding of the four gospels and the harmonized account of the life and teachings of jesus csb harmony of the gospels features the highly readable highly reliable text of the christian standard bible csb the csb captures the bible s original meaning without sacrificing clarity making it easier to engage with scripture s life transforming message and to share it with others

discovering the gospels four accounts of the good news answers many of our questions about the gospels author margaret nutting ralph introduces us to the methodology and insights of biblical scholarship while involving us in thoughtful dialogue because it is written clearly in easily understood terms this book is an invaluable aid for anyone asking mature questions about the gospels it is especially suited for schools bible study programs and faith sharing groups

reading and understanding the gospels who jesus is what he teaches and the beginning of christianity this is the second volume of a three volume series written for anyone who is interested in acquiring basic knowledge and understanding of the bible the book that is the foundation of western and middle eastern civilizations the first volume is titled reading and understanding the old testament the foundation of judaism christianity and islam the last volume will be reading and understanding the acts of the apostles the new testament letters and the beginning of the church

this second volume like the others uses scholarship in a practical manner moving chapter by chapter through each gospel using the actual verses as it explains clearly their basic meaning for people in ancient time and our time today the readers will experience and get a complete sense of the content and meaning of matthew mark luke and john the gospels that christians call inspired writings like the first volume on the old testament the author integrates the historical and the literary with the theological in order to highlight the meaning of each gospel once again the author has taken a difficult subject made it easy reading and filled it with challenging insights this book is strongly recommended not just for christians but for those who are interested in knowing what the first christians said about jesus what he taught and how christianity began

discover and understand the beauty and richness of the gospels of matthew mark luke and john as never before here are the life and teachings of jesus as found in the four gospels of the new testament now available in this important new collection with a foreword by best selling author phyllis tickle these gospels are the foundation of christianity the bedrock of our culture in them are found the birth of jesus his extraordinary life and the story of his death and triumphant resurrection now these beloved gospels are available in tarcher's cornerstone editions in the popular contemporary english version cev translation from the american bible society the cev is a serious translation not a paraphrase that combines historical and scholarly accuracy with contemporary language that everyone can understand the result is a reading experience that will resonate with all who read these life changing gospels at last the four gospels in a translation that brings new depth and meaning allowing the story of jesus and the birth of christianity to truly come alive

this collection of freshly translated texts leads to a new appreciation of the richness and variety of the religious world within which christianity emerged as a powerful new force bringing together for the first time under a single cover documents from jewish greek roman egyptian syrian and little known early christian sources the material is arranged to bring out as clearly as possible the ways in which early christian worship of jesus christ as savior and god both echoed contemporary worship of other savior gods and at the same time stood in sharp contrast to such worship this revised and enlarged edition contains a new introduction on texts and traditions in late antiquity a reworked translation of the gospel of peter selections from ovid's metamorphoses plus such documents as papyrus egerton 2 oxyrhynchus papyrus 840 and the apocryphon of james in addition the table of contents has been expanded to allow easier access to the

documents contained herein

this book offers studies by leading international scholars concerned with the new testament gospels and their relationship to and usage of the old testament the scriptures of israel several essays are devoted to each of the four gospels questions of sources form redaction tradition and method are raised and discussed the contributors are convinced that the gospels cannot be understood correctly apart from a careful consideration of their indebtedness to the old testament readers will be treated to new interpretations and lively debate

the gospels and christian life reads the four canonical gospels as handbooks for religious formation through communal practices the book focuses on the communities that produced each gospel the dynamic energy each gospel displays for creating and sustaining community life the different interpretations of the person of jesus and the different systems of organization and leadership each gospel promulgated the authors carefully describe the social context of each gospel and delineate the practices the texts prescribe each gospel has an imaginative portal an introductory chapter introducing the necessary background for understanding the social intellectual and religious setting for each gospel their reading of each gospel builds on these foundations to illustrate the nature and scope of the community s practices their work starts from the assumption that the communities did not look to the gospels for biographical data on the life of jesus to offer the reader a powerful reading of each gospel community its unique practices and the way people were trained to become members of it this book is aimed at undergraduate and graduate teachers and students pastors and the general audience eager for new ways to understand the new testament

after two millennia jesus remains as fascinating and compelling a figure as ever not only for christian communities but also for countless others in diverse contemporary cultures in this fresh introduction to jesus and the gospels prominent scholar john t carroll offers a thoughtful reading of the four gospels paying close attention to narrative structure and rhetorical strategies with an appreciation of the contexts that shaped and continue to shape their interpretation informed by the best recent scholarship carroll s clear and accessible presentation examines the connections between the gospels and contemporary life and the challenges these narratives might present to twenty first century readers introductory students will appreciate the use of call out boxes throughout the book that highlight important points and themes this engaging volume will introduce jesus and the gospels to a whole new generation of readers in the

culturally and religiously plural world of today instructor and student resources available visit jesusandthegospels.wjkbooks.com to find resources for instructors including a sample syllabus questions for study reflection and discussion and maps and images that can be incorporated into presentation materials in addition to teaching materials resources for students include chapter summaries flash cards study questions and fast facts

book i the treatise opens with a short statement on the subject of the authority of the evangelists their number their order and the different plans of their narratives augustine then prepares for the discussion of the questions relating to their harmony by joining issue in this book with those who raise a difficulty in the circumstance that christ has left no writing of his own or who falsely allege that certain books were composed by him on the arts of magic he also meets the objections of those who in opposition to the evangelical teaching assert that the disciples of christ at once ascribe more to their master than he really was when they affirmed that he was god and inculcated what they had not been instructed in by him when they interdicted the worship of the gods against these antagonists he vindicates the teaching of the apostles by appealing to the utterances of the prophets and by showing that the god of israel was to be the sole object of worship who also although he was the only deity to whom acceptance was denied in former times by the romans and that for the very reason that he prohibited them from worshipping other gods along with himself has now in the end made the empire of rome subject to his name and among all nations has broken their idols in pieces through the preaching of the gospel as he had promised by his prophets that the event should be book ii in this book augustine undertakes an orderly examination of the gospel according to matthew on to the narrative of the supper and institutes a comparison between it and the other gospels by mark luke and john with the view of demonstrating a complete harmony between the four evangelists throughout all these sections book iii

foundational the four gospels come directly from the ancient church and are among the primary sources for the church's teachings familiar since christian worship services began a reading from the gospels has played a central role studied for over two hundred years scholars have challenged and defended the central claims of the gospels miracles historical accuracy the divinity of jesus and more but forgotten still leading bible scholar n t wright reveals shocking news we have all forgotten what the four gospels are about despite centuries of intense and heavy industry expended on the study of all sorts of features of the gospels wright writes we have often

managed to miss the main thing that they all four of them are most eager to tell us what we need is not just a bit of fine tuning an adjustment here and there we need a fundamental rethink about what the gospels are trying to tell us what Wright offers is an opportunity to confront these powerful texts afresh as if we are encountering them for the first time how God became king reveals this surprising unexpected and shocking news of the gospels this is the story of a new king a new kind of king a king who has changed everything and a king who invites us to be part of his new world

study manual content illuminates some aspect of the Jesus in the gospels each week and connects scripture to daily life and Jesus call to discipleship the overarching aim is to deepen discipleship through better understanding of the biblical texts and their message the study helps group members understand that Jesus is rooted in Judaism and the scriptures of Judaism and that Christianity and the New Testament are rooted in the scriptures of Judaism our Old Testament the study manual guides daily study and preparation for the weekly group meeting the main elements in the format are designated by scriptural phrases they have no wine John 2:3 is a brief statement about the human condition and alerts the reader to some aspect of daily life that scripture can shed light on beginning with Moses and all the prophets Luke 24:27 is a way of referring to scripture as a whole and signals the fact that we can understand Jesus in the gospels better by understanding the Old Testament better do you want to become his disciples too John 9:27 New International Version is designed to stimulate thoughtful reflection so readers can come to their own conclusions about what their own discipleship calls for accompanying each day's scripture reading assignments are suggestions of things to look for that take the reader deeper into scripture as readers become aware of detail in scripture they might ask themselves repeatedly what am I to make of this the study manual provides space for writing notes on insights observations and questions related to the scripture and for putting into words personal perceptions of Jesus from the week's scripture
