all dogs go to kevin is a humorous and touching memoir that will appeal to anyone who has ever loved an animal or lost hours in james herriot s classic veterinary stories you can t always count on people but you can always count on your dog no one knows that better than veterinarian jessica vogelsang with the help of three dogs jessica is buoyed through adolescence veterinary school and the early years of motherhood taffy the fearsome lhasa emmett the devil may care golden and kekoa the neurotic senior labrador are always by her side educating her in empathy and understanding for all the oddballs and misfits who come through the vet clinic doors also beside her is kevin a human friend who lives with the joie de vivre most people only dream of having from the clueless canine who inadvertently reveals a boyfriend s wandering ways to the companion who sees through a new mother s smiling facade jessica s stories from the clinic and life show how her love for canines lifts her up and grounds her too above all this book reminds us with gentle humor and honesty why we put up with the pee on the carpet the chewed up shoes and the late night trips to the vet because the animals we love so much can in fact change our lives

what mr rogers was to children alexandra horowitz is to dogs a wise and patient observer who seeks to intimately know a creature her chapters packed with close observations about canine cognition and behavior are mini mood lifters npr maureen corrigan on fresh air what is it like to be a puppy author of the classic inside of a dog alexandra horowitz tries to find out spending a year scrutinizing her puppy s daily existence and poring over the science of early dog development few of us meet our dogs at day one the dog who will eventually become an integral part of our family our constant companion and best friend is born without us into a family of her own a puppy s critical early development into the dog we come to know is usually missed entirely dog researcher alexandra horowitz aimed to

change that with her family's new pup quiddity quid in this scientific memoir she charts quid's growth from wee grub to boisterous sprite from her birth to her first birthday horowitz follows quid's first weeks with her mother and ten roly poly littermates and then each week after the puppy joins her household of three humans two large dogs and a wary cat she documents the social and cognitive milestones that so many of us miss in our puppies lives when caught up in the housetraining and behavioral training that easily overwhelms the first months of a dog's life with a new family in focusing on training a dog to behave we mostly miss the radical development of a puppy into themselves through the equivalent of infancy childhood young adolescence and teenager hood by slowing down to observe quid from week to week the year of the puppy makes new sense of a dog's behavior in a way that is missed when the focus is only on training horowitz keeps a lens on the puppy's point of view how they begin to see and smell the world make meaning of it and become an individual personality she's there when the puppies first open their eyes first start to recognize one another and learn about cats sheep and people she sees them from their first play bows to puberty horowitz also draws from the ample research in the fields of dog and human development to draw analogies between a dog's first year and the growing child and to note where they diverge the year of the puppy is indispensable for anyone navigating their way through the frustrating amusing and ultimately delightful first year of a puppy's life

is there an animal doctor in the house most likely the answer is no and when an accident or other emergency threatens your pet every minute counts don't be unprepared open the first aid companion for dogs and cats by amy d shojai and learn basic first aid techniques such as cleaning a wound making a splint and performing cpr step by step which over the counter human medications can help or harm your dog or cat what to keep in your pet's medicine chest many essential

items are probably in your house already how to quickly pinpoint what's wrong with your pet using the first aid symptom finder plus you'll discover a comprehensive a to z guide to more than 150 common and not so common injuries and conditions including abscesses bites from animals car accidents choking gunshot wounds heatstroke hot spots jellyfish stings poisoning snakebites each at a glance entry tells you when to call the vet which supplies or medications you'll need what immediate action you should take and what you should do as follow up care by knowing what to do in an emergency and then acting quickly and confidently to take the proper steps you could save your pet's life the next time medical help is not quickly available reach for the first aid companion for dogs and cats it's a pet owner's second best friend

dr sophia yin author of the small animal veterinary nerdbook is a veterinarian applied animal behaviorist author and speaker her passion for animals and their proper handling and restraint led her to spend hundreds of hours on this project a new book and instructional dvd set focused on the most humane techniques that reduce stress for people and pets the book and dvd feature more than 1 600 photos that show practicing veterinarians and students how to handle dogs and cats correctly explanations of what vets think they're doing right but may actually be doing wrong three hours of video clips with voiceover narratives that show correct and incorrect handling procedures by using this training tool vets will be able to implement the most up to date handling techniques learn how to restrain animals correctly through behavior modification that does not involve coercion dominance or other negative training methods increase efficiency because patients will willingly comply with procedures stop perpetuating behavior problems in patients create a safer environment for themselves and their team with fewer bites scratches and back injuries improve the bond between vet pet and client published by cattledog publishing usa and distributed by manson
